

The FINAL Case Against Lucifer

This information You are about to receive is a witness Against the Catholic Church.

The Vatican itself is an upside down cross, a black key hole with an upside down cross. **Saint Peters basilica**; the word basilica means royal abode of the basilisk. **Basilisk** is a legendary reptile reputed to be king of serpents and said to have the power to cause death with a single glance. The serpent is Satan.

Saint Peters Basilica

Hidden in plain sight is the mystery of the entire human race.

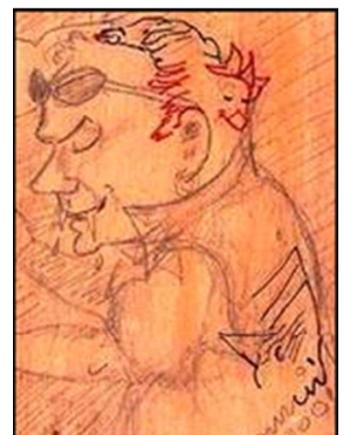

The first part of this presentation you shows an ariel view of **Saint Peters basilica**, It is a **key hole** and an **upside down cross**. It is very important that you understand that Peter was crucified upside down. It's very important that you also understand that the word basilica means royal abode of the Basilisk= Serpent=Satan; this basilisk kills with its breath or with its look. This literally translates into saint Peter's palace of the serpent that kills with its breath or with its look. Also once you understand another concept, that the tree of the knowledge of good and evil in the bible, was the fall of man. It said do not partake, do not eat or neither shall you touch it

lest you die. The image to the right represents Jesus and Peter on the cross. Jesus in white and Peter in black. Jesus represents everything good and Peter the complete opposite which is everything bad. I will show you how Saint Peter's basilica represents a key hole and a locked door. Jesus on the cross represents a key in an unlock position. When you rotate the key, and it turns upside down like Peter, the key is in a locked position. Just take a moment and think about that.

The first thing I want to connect with in this part of the presentation is evidence that would be like something you present in a courtroom, like making a case in a court of law. I would like to ask you before we begin have you ever had anyone ever come up to you and draw a picture of you? I would say it is a very odd thing, wouldn't you? It needs to be looked at in certain connotation. For example if you were a young lady ,and you're in your early 20's, and an older man that was in his 50's walks up and says hey I drew a picture of you, that's a pretty creepy thing, that's pretty odd. So now let's consider what if it was a very attractive 20 year old man that said hey I drew a picture of you, it would probably be received differently.

Picture 1

What I am trying to relay is everything has its own frame of reference. Now I want you to consider this, have you ever had someone do that? I do not mean were you went to a fair or carnival and said here's my 10 dollars, please draw me. I'm talking about completely unsolicited, were somebody just walks up and says hi, I drew a picture of you. If you have, have you ever had it happened to you more than once? Well since I'm giving a testimony and a witness I must include myself in this. Also considering the nature of this information, I 'am the witness. Therefore, I must include myself. Ok the first time this happened was a drawn image of me, given to me in the year 2001 **Picture 1**. The person that gave me this

Picture 2

picture was the same age as me, when I was 40 years old; it was done on a piece of wood. This also happened to me in 2014 **Picture 2**. This was done by a young man in his 20's in Starbucks, his name was Alex. I think it is very odd that someone

would draw a picture of someone else and give it to him or her, and it's an unsolicited image or thing. Here is another image that I will be talking about. **Picture 3** is an image of a dead sheep with its tongue sticking out. It is also the virgin turned upside down. These images have the same common denominator, images of dead sheep's. In this document, I am going to present all this evidence.

Picture 3

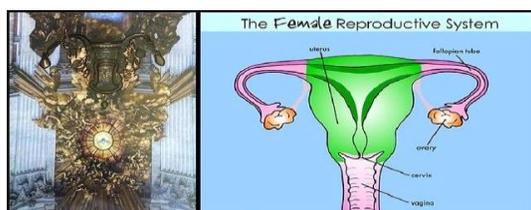

The largest altar in the world is in the Vatican. It is the head of Catholicism, which has 1.1 billion members as of 2010. The image

This is the altar of Saint Peter. This is an image of a dead sheep with its tongue sticking out.

of the altar in the Vatican at Saint Peter's Basilica is the image on the left of the page. If you look at the image closely, you can see a dead sheep with its tongue sticking out. I put it next to an image of a sheep so you can see it very clearly. In the image of the altar there are all these angels going into a vortex. The reason there going into that vortex is that it is the female reproductive system and the female vagina. Now I know that this might just throw you for a loop, but by the time we are done with this, I guarantee you, if you let go of any pre conceived ideas or any pre indoctrination, you will know the mystery of all human existence. I know this is a bold statement but the reason I can say that is because this is a gift from God. This is not my research. This is not my idea. This is not what I believed. This is what "I know". This was given to me as a gift, to give to you. In my testimony, I told everybody I came down the stair way in the back of the hotel, and my life was being threatened. I was led by the Holy Spirit to stay at this hotel, to come out the back door of the hotel, and to take a step of faith, that more than likely meant my imminent death by going thru that door. Nevertheless, I was

willing to do it because a spirit, the "holy spirit; the spirit of the living God, was leading me. When I took that step of faith, I came out the alleyway, backside of the third floor of "The Saint Anthony hotel". I started walking down a 45 degree horizontal ramp and as I walked further they turned into spring loaded steps/stairs that landed on the ground. And when I landed, standing there, waiting for me, was Michael an angel, "God's Angel". Many people don't believe it and that's ok. But now my testimony has been vetted, it will be proven out. When I stepped off those steps Michael stepped up to me and said "pray with me my brother", and he came along side of me and we prayed the Lord's Prayer. (**Mathew 6:9-13 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.**) We prayed towards the sky. I prayed to the Lord God our Father. And after the prayer water and light came down on me and I was filled with the Holy Spirit. Then at that moment while I was in complete stupefaction, because it felt like I had just been beamed down to the surface of the planet. Quote-(**John 3:5** Jesus answered, **Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.**) It was almost like Star Trekish. I was standing there in complete stupefaction, because I was born again, and I was looking at my arms going wow 'oh my gosh. Then Michael looked at me and he said "now you, say a hail Mary". By the way a hail Mary is wrong. Even

willing to do it because a spirit, the "holy spirit; the spirit of the living God, was leading me. When I took that step of faith, I came out the alleyway, backside of the third floor of "The Saint Anthony hotel". I started walking down a 45 degree horizontal ramp and as I walked further they turned into spring loaded steps/stairs that landed on the ground. And when I landed, standing there, waiting for me, was Michael an angel, "God's Angel". Many people don't believe it and that's ok. But now my testimony has been vetted, it will be proven out. When I stepped off those steps Michael stepped up to me and said "pray with me my brother", and he came along side of me and we prayed the Lord's Prayer. (**Mathew 6:9-13 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name.**) We prayed towards the sky. I prayed to the Lord God our Father. And after the prayer water and light came down on me and I was filled with the Holy Spirit. Then at that moment while I was in complete stupefaction, because it felt like I had just been beamed down to the surface of the planet. Quote-(**John 3:5** Jesus answered, **Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.**) It was almost like Star Trekish. I was standing there in complete stupefaction, because I was born again, and I was looking at my arms going wow 'oh my gosh. Then Michael looked at me and he said "now you, say a hail Mary". By the way a hail Mary is wrong. Even

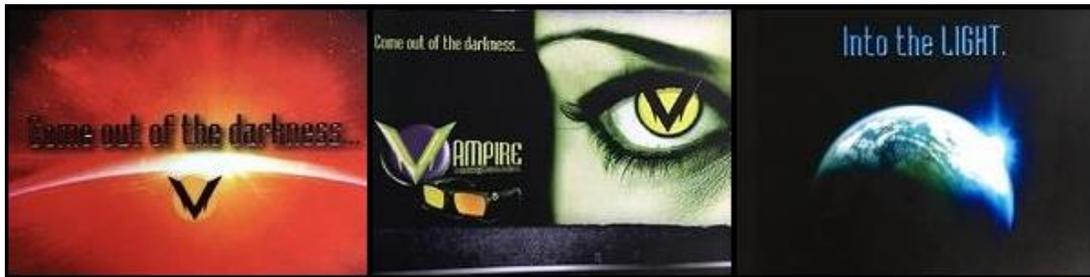

though I was born and raised catholic. I had just gotten saved in this alley by praying to **The Lord God our Father** and Michael, God's angel said "now you, say a hail Mary". As I said the words to the hail Mary prayer I felt death. Isn't it odd that when you turn the virgin upside down it becomes a dead sheep. **(Picture 3)** (Side note; **Leviticus 26:1** **Ye shall make you no idols nor graven image, neither rear you up a standing image, neither shall ye set up any image of stone in your land, to bow down unto it: for I am the LORD your God.**) I felt light and life leave me as I said a hail Mary, because it is praying to the virgin. And I knew that somehow praying to the virgin = death.

I am about to show you the mystery of all humanity, the mystery of all creation, the mystery of life and of death. Who you are, where you came from, what's about to happen, were you go and what happens to you if you don't get converted. That's what this document is about. If you don't believe me, I hope you sit and read this. I really do, I hope you sit down and read this presentation of all this information because it is so supernatural. It is the most profound information on earth and the Lord God delivered it because it is time. The end of the world is here and everyone needs to get ready. You need to prepare you heart and prepare your mind because Jesus is coming to gather the church. There will be many left behind. Very few will be leaving here and I' am trying to get as many people in the lifeboat as I can. The bride of Christ is about to leave and I will give you the scriptures during this presentation so you will understand. Next, I will start with the presentation of the evidence. **(Daniel 2:41** **And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay. Daniel 2:42** **And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken. Daniel 2:43** **And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.)**

Exhibit # 1 Predestination & life calling as an end Time messenger to ring the bell & gather the Church.

The first part of this evidence I am going to give you is what I was doing before I got saved. This is Vampire Sunglasses; it says, "Come out of the darkness and into the light, with Vlad Eyewear." **(1Peter 2:9** **But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people;**

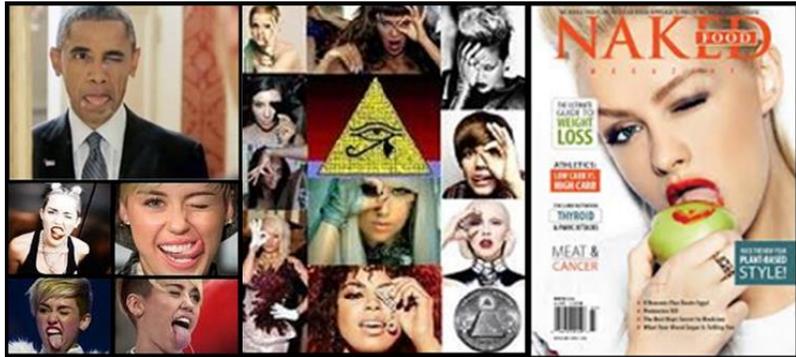

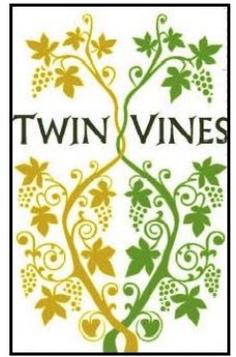

that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light) I want to show you something very peculiar. These are all point of purchase ads for the sunglass company I owned. I am upside down in every single one of these purchase ads. One of the pictures I

have no shoes on; you can see the land underneath me, and one is over the ocean. I have other pictures every single one is upside down. So every single image of me, I'm falling out of the sky upside down. That is a very peculiar thing especially with the company saying vampires come out of the darkness and into the light.

I want to show you Isaiah 57, in the scriptures! Most people don't know this. It says (**Isaiah 57:1** The righteous perisheth, and no man layeth it to heart: and merciful men are taken away, none considering that the righteous is taken away from the evil to come. **Isaiah 57:2** He shall enter into peace: they shall rest in their beds, each one walking in his uprightness. **Isaiah 57:3** But draw near hither, ye sons of the sorceress, the seed of the adulterer and the whore. **Isaiah 57:4** Against whom do ye sport yourselves? against whom make ye a wide mouth, and draw out the tongue? are ye not children of transgression, a seed of falsehood) Kind of like the story of the wheat and the weeds. The weeds are called the darnels, it's a false grain. (**Mathew 13:30** Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.) The weeds look identical and I do mean identical. A darnel looks just exactly like wheat. The only way you can tell the difference is at the time of the harvest and the head of the wheat will bow down and that's to show a manifestation of who we are because real Christians, we bow our heads before God and we submit. Those that are proud and haughty, they don't bow their heads; they have their heads cocked up like the weeds, just like the plant itself. It stands strait up, but the wheat at harvest time bows its head, that's how you know which one is which. By the way the darnels are poisonous. There not just weeds there poisonous weeds.

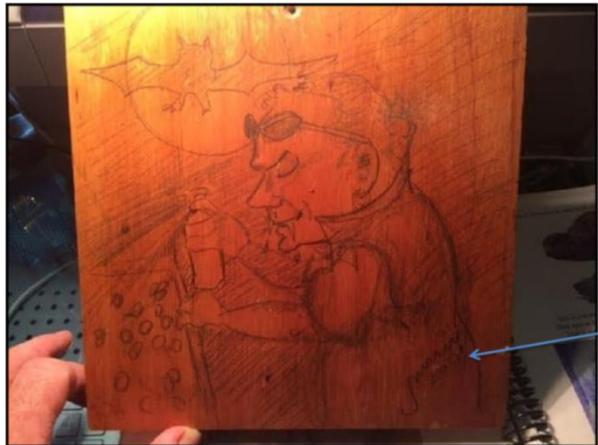

Kind of like the story of the wheat and the weeds. The weeds are called the darnels, it's a false grain. (**Mathew 13:30** Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.) The weeds look identical and I do mean identical. A darnel looks just exactly like wheat. The only way you can tell the difference is at the time of the harvest and the head of the

Those that are proud and haughty, they don't bow their heads; they have their heads cocked up like the weeds, just like the plant itself. It stands strait up, but the wheat at harvest time bows its head, that's how you know which one is which. By the way the darnels are poisonous. There not just weeds there poisonous weeds.

Exhibit #2 Marcell Unsolicited Drawing 2001

This was done in 2001 before I got saved.

He actually wrote his name here, and he wrote 2001.

So this is Exhibit # 2. This was done in 2001 before I got saved. He actually wrote his name down on the right corner and he wrote the year 2001. I already showed it to you on page 2, (**Picture 1**). This is an image of me done in 2001 by a guy from Guatemala named Marcell. It was done at a warehouse in my office. By the way he specialized in art work that was of the virgin and one day he just walked up to me and he said in Spanish "hey I made this for you". I wanted to be gracious and I was like oh. Well see, he put fangs on me because of my sunglass company.

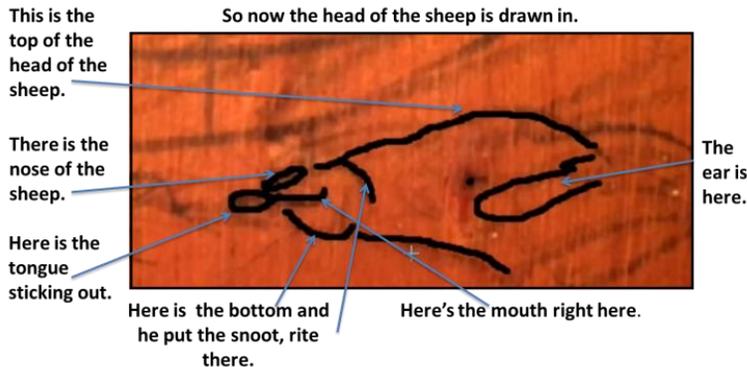

Here's what's really fascinating. Before I got saved, I didn't see anything hidden in this image, nothing. I just looked at it and went wow. He put fangs for vampire sunglasses, a bat, he put sunglasses on me. I thought it was weird that my eyes were closed and he put a can of spray paint in my hand. I guess because I used to make these marble tables. I didn't think anything of this, nothing at all. Let's Zoom in real quick on the part of the image that was on top of my head. There's a dead sheep with its tongue sticking out.

Here's the sheep.

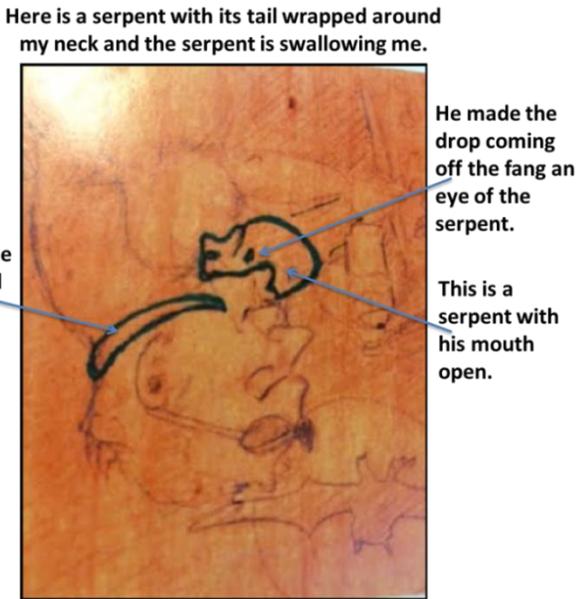

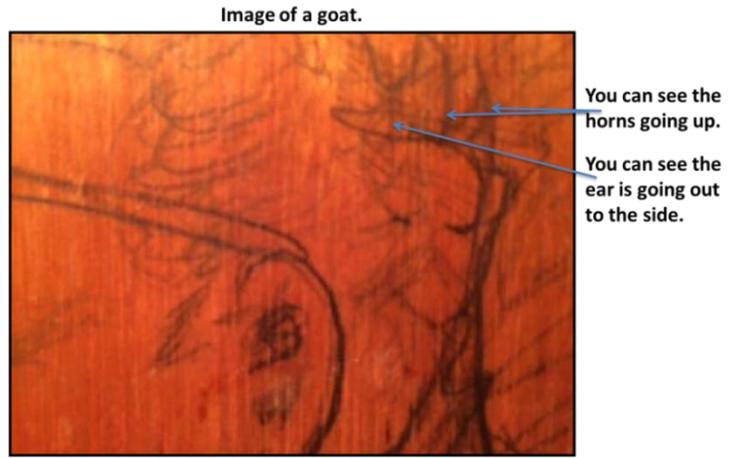

Right here is the eye of the sheep.

What he did is he used the knot in the wood to make the water coming out of the eye of the sheep.

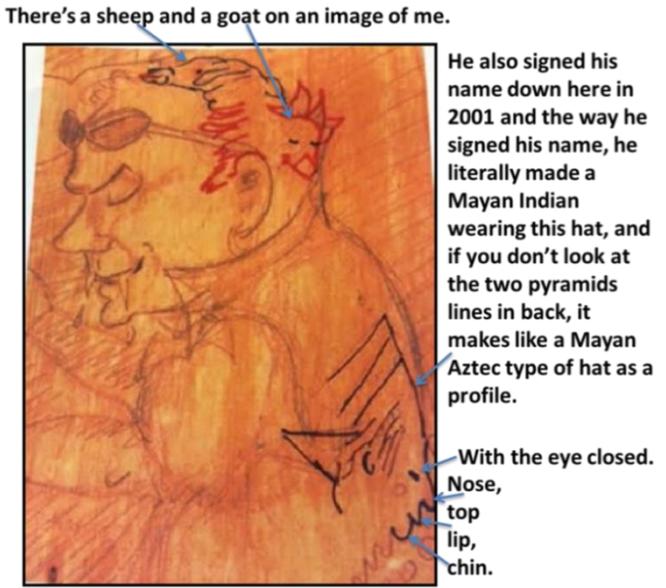

Let's zoom in even closer. You can see how he very purposely did a loop for the tongue, a line for the mouth, the line for the snoot underneath the snoot. Then he used the not in the wood to make the eye look like it was leaking water like an animal does when it dies. This is very common on these type things. So exhibit one done in 2001 by a guy who did this image of a sheep. When this was handed to me I could not see any of this, I mean I wouldn't even have thought it. That is what's so fascinating because after I got saved then I could see it. Let me show you something else that is on this thing. In the picture below it's an image of a goat. You can see the horns going up

and the ear going out to the side. The pencil marks are very distinct they don't belong there, they go against the grain. Hair does not grow that hard against the grain that's not the way it works. You can see the intent. I can see it very clear as an artist. Now let me show you something really fascinating in the image below, it is a serpent with its tail wrapped around my neck and the serpent is swallowing me. So there's a tail wrapped around my neck with his mouth open and he made the collar of my shirt like that and he made the drop coming off the fang, the eye of the serpent. When I saw this it was so disturbing. I was like this is done with intent and I'm an artist. So once I started penciling in on a layover

or copying the piece of wood on a copying machine and drawing it in on paper. I was like wow this is crazy and by the way I had never read the bible. I didn't know anything about the bible, nothing. I didn't know there were sheep and goats in the bible. I called up my wife's father and he was a world religion professor and I said tom, is there any place in the bible that talks about sheep and goats. He goes "oh yah man, go to Ezekiel 34:17." I think that was the first place and then I found it in Mathew 25 and I was like oh my God. So now that I zoomed out I can show you what else he did. He also signed his name down at the bottom right corner in 2001 and the way he signed his name, he literally made a Mayan Indian wearing this hat, and if you don't

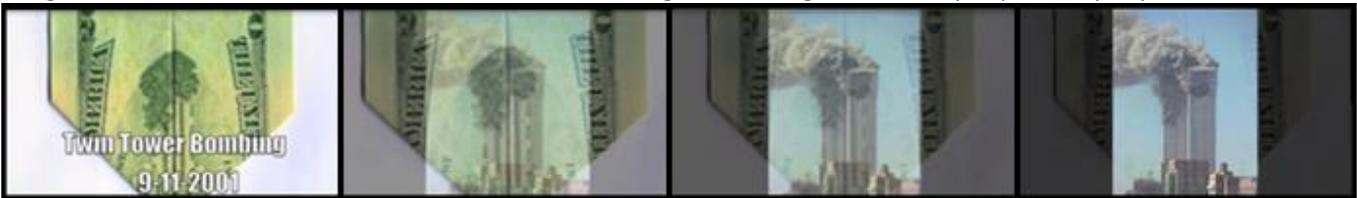

look at the two pyramid lines in the back, it makes like a Mayan, Aztec type of hat as a profile. So that's the first image that was ever given to me, my eyes were closed; he was mocking me and like I said, I could not see it before I got saved. **(GNT Isaiah 29: 15 Those who try to hide their plans from the Lord are doomed! They carry out their schemes in secret and think no one will see them or know what they are doing. 16 They turn everything upside down.)** But once I got saved I could see it very clearly. The bible says in **(John 9:39 And Jesus said, For judgment I am come into this world, that they which see not might see; and that they which see might be made blind. John 9:40 And some of the Pharisees which were with him heard these words, and said unto him, Are we blind also? John 9:41 Jesus said unto**

them, If ye were blind, ye should have no sin: but now ye say, We see; therefore your sin remaineth.) Isn't that fascinating because before I got saved I was guilty and I couldn't see this. What's with the serpent eating me? I went to look for this guy. I was long since gone from the warehouse and I went to go look for him, it probably would have been a bad encounter if I had found him. Even though I was saved I was very freaked out about this. (**John 10:1** Verily, verily, I say unto you, He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber. **John 10:2** But he that entereth in by the door is the shepherd of the sheep. **John 10:3** To him the porter openeth; and the sheep hear his voice: and he calleth his own sheep by name, and leadeth them out.)

Exhibit #3 My Personal Testimony

I knew there was no way back to get myself clean again. I knew there was no way to get out of what I have done. I still remember, I stood in my living room and I said God, I know that there's no way to get back from what I've done. (**Romans 6:23** For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.) I know that I deserve to go to hell. (**Romans 3:22-26** Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe: for there is no difference: For all have sinned, and come short of the glory of God; Being justified freely by his grace through the redemption that is in Christ Jesus: Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God; To declare, I say, at this time his righteousness: that he might be just, and the justifier of him which believeth in Jesus.) Repentance starts with an admission of guilt. So I didn't realize what I was doing but I was standing in my living room admitting my guilt before God. I stood there and the first thing I said is that I know I deserve to go to hell. Then I said I know that Jesus is real, but I don't know which Jesus is real because I was raised catholic and its hypocrisy. They say don't do this or that and you go do it all week. Then you go back on Sunday and confess it. Then you back and do it all over again. It's a cycle and so I saw religion as hypocrisy my whole life. (**Romans 6:1-4** What shall we say then? Shall we continue in sin, that grace may abound? God forbid. How shall we, that are dead to sin, live any longer therein? Know ye not, that so many of us as were baptized into Jesus Christ were baptized into his death? Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life.) So I said God, if Jesus is real, which one is He? The Catholics say they have the right Jesus, the Jehovah's witnesses say they have the right Jesus. I have a friend who's Mormon and he says "if you don't have our Jesus you're going to hell" and "you got the wrong Jesus." So everybody has their own Jesus. I was like wait a minute, you can't all have the same or different Jesus and be right. There's no way, it's impossible! So that's where it started, I confess that I deserved to go to hell and I had admitted my guilt before God and then I asked Humbly who is the real Jesus? I asked, would you please show me who He is because I don't want to pick the wrong one. I want to find who He really is. I just want to know the Truth. I mean, I was just driven to find out who Jesus was (**Joh 16:13** Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.) So I started renting videos and DVDs at the video store about Coptic Christians and I was just looking. I was praying and noticed that when I was praying I said God am I getting close, am I getting warm? I would start tingling, like an electrical charge going through my body. It was really weird and I was manifesting an ability, (**John 16:13** Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. **Isaiah 11:2** And the spirit of the LORD shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD;) and someone had shown me the twenty dollar bill that had the twin tower bombing on it. I was like wait a minute, that's the twin towers on our twenty dollar bill and so I started manifesting an ability to recognize or discern things I had never been able to discern. I started showing these things to a lot of people and people started threatening

me. I didn't know who these people were. I was showing it to everyone I could. I was like why is this on our money? If you turn the bill over, look there is the pentagon, why is this on our money? I why are these things here? I was decrypting stuff that I normally

had no ability to see, all of a sudden I was starting to see it and it was really kind of scary. I wasn't sure what was going on, the LORD that was drawing me in, and then I started getting threats from people I didn't know. I ended up in a high-speed chase trying to get away from some people that were threatening me. I was on a three-lane highway one day and a car pulled in next to me. A truck pulled in front of me and slowed down and the car pulled up next to me. It was kind of like the way the feds would pull some one over. This truck had a cylinder in the back of it and all of a sudden this thing opened up and chemical dust started coming out covering me like a crop duster and it was like one in the morning on the high way. I was trying but I couldn't get away from these people. I mean I literally almost went off the road and crashed. I happened to have a whole box of sunglasses in the car with me because I had a sunglass company and I had a respirator in the car as well because I had been carving metal that day. I put the respirator on and I put on a pair of sunglasses and this dust was coming through the air vents in the car and it was getting on the glasses and it would smear, it was like oil almost. And so I had to keep changing glasses, while I was trying to get away from these people, and I was like who the hell are these people? What is this dust? Is this stuff going to kill me? I had no clue what was going on. That's where this started, I called my girlfriend at the time, who I ended up marrying. She is from the Du Pont family, I 'am not going to give anyone her name, but her nickname is Lou. She wasn't in the car with me at that time, but she had seen some very strange things starting to happen. I went home and called her dad and I said look, Tom something really weird is happening and I don't know what's going on, but apparently I have opened a door or something that I should have opened. I've been showing people some very weird stuff and we have had our lives threatened. I have been in two high-speed chases. So I need to send your daughter home and he said yes please send her home. They have several houses, one in Minnesota and another in Montana. I said I'm going to send her to Minnesota. He said that's where they are now. I said I'm going to get her a ticket out of town immediately. I don't know who these people are or what their capable of doing but it's definitely looking like bad stuff. I said I am not going to stay at my house because it's too dangerous. So we got a hotel room down town at the Saint Anthony Hotel and that's where this all started. Now I've set up the whole story, **(don't forget I was looking for the real Jesus. I needed/wanted to know who the real Jesus was and what the truth was.)** An all this stuff started happening, it was like something out of a spy movie; it was the weirdest thing I had ever seen in my life. It was like Bourne Identity. It was so bizarre, I couldn't believe it. So we got a room at the saint Anthony, we were on the tenth floor and we went down there and it was night time. I was with Lou and I was in the room and it was approximately almost twelve a.m. A little after twelve and I said okay your flight leaves in the morning, here's your ticket and I had like two shirts and a pair of pants in my hand. I was getting ready to walk out the door; I had given her a ticket. I said okay, here's the deal. Your going to go to the airport in the morning and head to Minnesota, I'm going to go back to my house when I figure out what's going on. I'll call you but you'll be safer here. I'll go to my house once I figure things out. If anyone it's me their trying to hurt. That way you're not with me and your safe. So I was standing in the room and then out of nowhere an invisible blanket came over me, and all of a sudden I was literally surrounded. The only way to describe it was like energy. I held my hands out in front of my face and I looked at the backs of them and the hair on my arms and hands was sticking strait up. I heard this voice very clearly say **"read the tags in your shirts"**. I looked at Lou and I said some source is communicating with me and she looked at me and she went "what"? And I said some source is communicating with me. He's telling me to read the tags in my shirt and she's like "what", and so I'm standing right there by the bed. I threw down my clothes on the bed, and I looked at the first tag and it said one hundred percent nylon/ N_Y_L_O_N, and I went one hundred percent nylon? Then I heard the voice say **"turn it upside down"** and I went turn it upside down? and so I turned my shirt upside down and the voice said "read it". And so I read it and it said 100% NOLYN, it was the word nylon upside down and backwards. And so I said one hundred present No Lying? I had my hands held in a supient position, which means palms up. I didn't even know why I was holding my palms up

towards the ceiling, looking at the ceiling, 100% **No Lying**? And then my whole body went bzzzzzz and my body just lit up with electricity. I was like oh my gosh and then I looked at my arms again and I was like what, I was looking at my hands, I was looking at my arms, I was looking at my body going what's going on? What is this and then I heard **"look at the other tag"** and I looked down and there was a triangle with an x through it. And I looked at the triangle, and then I heard this voice say **"the pyramid is your enemy."** And I went the pyramid is my enemy? An then all of a sudden I went bzzzzzz and I buzzed really, really hard and I

like what is going on...and then all of a sudden it just dissipated, and I was like wow. What in the world is going on? and I looked at Lou and she's going what's going on? And I looked at her and said I don't know what's going on this is really weird. I looked at her and said well I love you, call me when you get to Minnesota I got to go. So I kissed her goodnight and I walked out the door on the tenth floor. I walked to the elevators and there was a plaque on the wall that had a triangle with an x through it, just like the one I had just seen and I went what in the world that is so weird. I had already showed it to Lou and she's like what, the pyramid's your enemy?. And for some reason there was some connection with this and the people who were trying to scare us. I wasn't sure what it was. I went back and got Lou, she came out of the room to the elevator and there was a little plaque on the wall. It had a pyramid with an x through it. Then it showed, do not use the elevator sign in case of fire and it had an image of a guy walking down the stairs into three flames. This was a fire escape sign. I looked at it and all of a sudden, there's that voice again, it said **"go into the fire"**. I said, it's telling me to go into the fire. I'm like what, go into the fire, go into the stair well. And so I'm just being literally led by a spirit in a hotel and Lou's following behind. We probably look like the cowardly lion and Dorothy walking in the wizard of oz. So I'm sitting there going what is going on man and so Lou and I walked down this main hall way which is the long hallway inside the hotel. And we walked down this main hallway going to the stair well. I'm walking down the stairs, very slowly down each floor and I'm looking up and looking around and I'm just going through this and you know, it's not always, there wasn't always a voice guiding me. So I'm looking around going, what am looking for? Then I looked and I seen the word New York and it was on a big silver pipe, like you know of plumbing that went through the stair well and I saw New York and then I started buzzing.

I was like, New York. What does that have to do with anything? Go listen to the song New York by U2. ([U2-NEW YORK Lyrics](#) "In

New York I found a friend to drown out the other voices... Voices [down the stairwell](#)") And I'm sitting there going, like that's weird and I'm like New York? Ok New York, that's weird. And so I keep going and we get down to the third floor of the Saint Anthony Hotel. And let me tell you something. The stair well does not go past the third floor but there's a window in that particular part of the stairwell. There weren't any other windows in the stair well only on the third floor and I'm going what am I supposed to do? And I heard the voice say **"go look out the window"** and I walked over to this big window and I looked down toward the street and two cars were parked with their lights on and it's almost one A.M. They were sitting there, parked with their lights on with two guys in each car and it's the people that were following us. I was scared to death. I had already abandoned my car because I thought there was a GPS on it and that they were following me. Somehow, my car had been tagged. Somehow, they had put some kind of beacon on it. So I abandoned my car and I was using a friend's car and I looked out the window and I go oh my god there's those guys and I was like scared to death. I was like these are the guys that are trying to hurt us and the LORD said **"Those are your enemies."** What in the world is going on and then He said **"go to the other stair well"** and I said come on Lou we gotta go man. We can't get out of here; we got to get out of this hotel. These guys are here let's go to the other stair well. We'll get out of here we'll sneak out the other side and we will get a cab and get out of here and so she's scared, now we're both scared. Were like oh my god these guys are here for us. So we walk down the main hall, we go out of the stair way and into the main hall, we walk all the way to the other side, to the other stair well. We go in and guess what, it's under construction. There's construction going on and the passage to the bottom is blocked. We can't exit the hotel, and I'm like oh no what are we supposed to do? Then I looked and there's this door and it says do not open door or alarm will sound. And I heard the lord say **"go and open the door"**

and I'm like just buzzing. I'm looking at my arms, just going what is going on man? And I go up to the door and this is unbelievable, this is where I started praying to God. I was like really praying, in the name of Jesus Christ tell me what to do and all of the sudden I realized; I think I'm talking to God here. This has to be God he said **"go thru the door"** and I looked at Lou and said Lou He's saying go thru the door. And she

grabbed my arm and said don't go thru the door, don't open the door, and I said Lord in the name of Jesus Christ tell me what to do. **"Jonathan go thru the door, open the door."**, and I said Lou He's saying go thru the door, and she goes, NO don't open the door the alarm will sound, these people will find us, and I said Lord in the name of Jesus Christ please tell me what to do. **"GO THRU THE DOOR"** and so I just pushed the door open, almost like I wasn't in control of my own body. As soon as that door opened, I literally walked out into a different world. I walked out the back of that door; I had overcome a fear that was so great. When I opened the door, I no longer even cared that the guys were at the other end of the hotel. That went away instantly. I walked out and now I was under complete and utter control of some other spirit that was guiding me because I had taken a leap of faith so big, that no one would normally do. I pushed the door open and then I was under the control of this spirit that was leading me. As I walked out the back of the hotel there was metal stairs. They were horizontal to the ground.

I started walking on them and they turned into a 45 degree. They were spring loaded and as I walked out, they went down, and they hit the ground, and I stepped off those stairs, and there waiting for me to hit the ground was this guy who looked like Alexander Siddig from the movie, The Kingdom of Heaven? In the movie he plays the right hand man of Saladin. (**Hebrews 1:14 Are they not all ministering spirits (angels), sent forth to minister for them who shall be heirs of salvation?**) He was waiting there for me and he looked at me. I was under the control of something completely different than what had been controlling me my

entire life. I was connected to a different sever. This guy looked at me, and he says, (**"Pray with me my brother."**) And he came along side me, and he was in complete and utter control, I could only do what he said. He said **"pray with me my brother"**, and we held our hands palms up towards the sky and he said **"in the name of Jesus, Our Father who art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass**

against us, and lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, for ever and ever amen." And that second I was instantaneously a different person, I was filled with light, I was in a different world; I was no longer of the earth. I was on the earth but I was no longer of it. I was instantly filled with light. All the information that I have put out in videos was instantly downloaded into me. It was like a computer getting a complete new hard drive, I got a complete download, and I was instantly, completely, and utterly mesmerized by this new spirit. Everything bad was gone the new has come, I was a new creation. I stood there in complete stupefaction, even holding my hands out to the side still. Stunned completely and utterly stunned, and Lou was sitting there watching, she was coming down the stairs, and she's like what is going on? And she's just sitting there looking at me, and looking at Michael. She's looking at both of us, and then I looked at him because I knew he had instructions for me. And I looked at him, and I said, what am I supposed to do? (**"Here's a side note 'don't forget the first thing in the hotel room was 100% NOLYN no lying.'**) That was my first communication from the Lord. Then it was time to be put to the test. You must understand when I tell you this next part. Do not think that I have in any way advocated praying to the Virgin Mary because I am a witness against virgin worship. I am a witness against the Catholic Church. I am a witness against Satan, and the satanic use of idolatry. (**Exodus 20:4 Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth, Leviticus 26:1 Ye shall make you no idols nor graven image, neither rear you up a standing image, neither shall ye set up any image of stone in your land, to bow down unto it: for I am the LORD your God.**) So let me back up, after I said our father and I was filled with light, that's when Michael stepped away from me ,and he said "now you pray a hail Mary," and I looked at him like what? Pray a hail Mary? I knew it was wrong inherently, I didn't even have to think about it. I knew it was wrong. And I looked at him like what? And he said "YOU" pray a hail Mary, and he nodded just "do it". So I had my hands up still and I started saying a hail Mary. As I said it, I felt light and energy were leaving my body instantly. I mean it felt like I was reverting. As I said that prayer, I knew that's what death was. That somehow, death was associated with a prayer that had come out of my mouth about the virgin. He was trying to show me that's were death comes from, because I felt life leaving my body. I was full of light and life and now I felt death again. I looked at him and was like what am I supposed to do? Then he said, "It looks like you need some water." Why don't you go to the bus station, and get some water" and he nodded, and I just did what he said, I said ok. Then as I turned to walk out the alley there was a giant stained glass window that was lit up, of an image of Jesus. The whole thing is in the shape of a cross. An on the wall

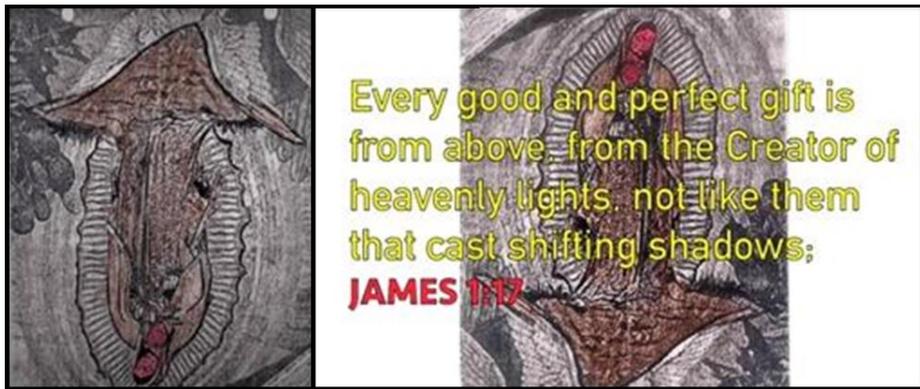

underneath, carved into the wall, it shows a man scattering seed. It says, "Whatsoever a man soweth, that must he also reap." I had no idea I was about to reap ten years of the hardest years of my life once I got saved. The Very first thing that happened after this spirit literally enveloped me like a blanket, an invisible blanket of energy in that hotel room at the Saint Anthony hotel. He told me **"Read the tags in the clothes you are carrying."** And when I read those tags it said 100% nylon,

which made absolutely no sense and the Lord said **"Turn it upside down."** (**Isaiah 29:15 Those who try to hide their plans from the Lord are doomed! They carry out their schemes in secret and think no one will see them or know what they are doing. 16 They turn everything upside down.**) So if you want to see the 100 percent truth, you got to turn everything upside down. I also told you that when I came down that stairway in the alley, Michael who is an angel in God's army was waiting for me. He came up to me and I had taken this incredible step of faith and he walked up, he literally stepped up to me he said, "Pray with me my brother." and then we prayed to the sky our father. Water and light came down on me, I was filled with the Holy Spirit, I mean beaming with light. I had been transferred into a complete new thing. I was literally born again. It was that profound.

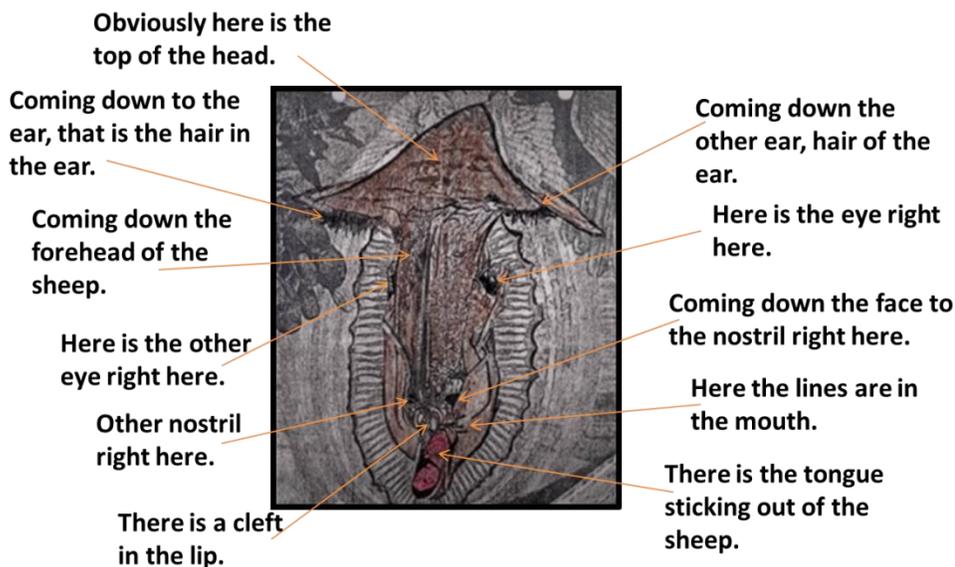

Exhibit #4

Dead Sheep/Virgin

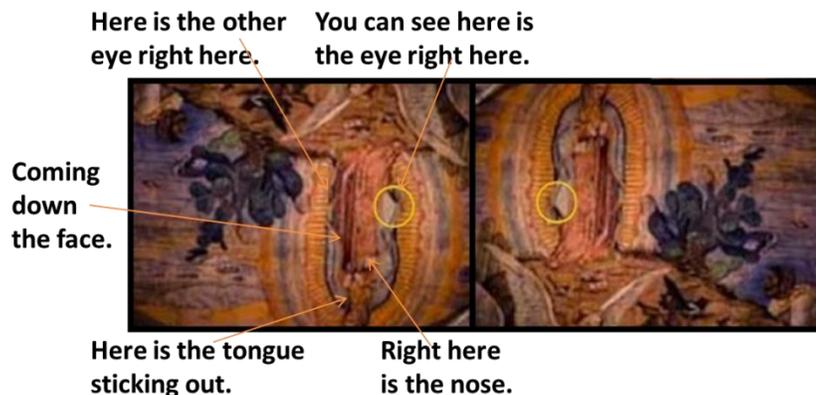

This is exhibit #4 and here is an image of the virgin. I walked into a store the Lord told me to buy this calendar and I was a little bit confused. I opened it up and it was the virgin, the Lord told me just draw in the changes of shadow again. Here is the scripture (**James 1:17** every good and perfect gift comes from above from the creator of heavenly lights, not like them who cast shifting shadows.) Okay so here we go, there is the image of a dead sheep with its tongue sticking out. (Picture on the left.) So 100 percent nylon, turn it

upside down. There's a dead sheep, let's turn the image upside down now and enlarge it. Ok so here you go, one way it's a dead sheep. The other way it's an image of the virgin.

The Virgin image down below in color, once again this is the image of the virgin, when you turn it upside down it's a dead sheep. I told you when I prayed to the Virgin I felt death, there it is, the death of the sheep. I want to remind you of a scripture in John 21 "Jesus told Peter, He said Peter do you love me? he said Lord yes I love you, then He said, feed my sheep. A second time he said Peter do you love me? He said yes Lord I love you, then feed my sheep. A third time Jesus said to Peter, Peter do you love me? Peter told Jesus you know all things Lord, you know I love you."

Then Jesus said feed my sheep. Then after that, rite after he told him, then feed my sheep. "He said Peter when you were younger, you went where you wanted but when you're older you stretch out your hands and others will take you where you don't want to go." Jesus told this to Peter to signify what kind of death he would die to glorify God. Peter died upside down on a cross people. So when Jesus was giving Peter his marching orders to feed his sheep. **(John 21:15 So when they had dined, Jesus saith to Simon Peter, Simon, son of Jonas, lovest thou me more than these? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my lambs. 16 He saith to him again the second time, Simon, son of Jonas, lovest thou me? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my sheep. 17 He saith unto him the third time, Simon, son of Jonas, lovest thou me? Peter was grieved because he said unto him the third time, Lovest thou me? And he said unto him, Lord, thou knowest all things; thou knowest that I love thee. Jesus saith unto him, Feed my sheep. 18 Verily, verily, I say unto thee, When thou wast young, thou girdedst thyself, and walkedst whither thou wouldst: but when thou shalt be old, thou shalt stretch forth thy hands, and another shall gird thee, and carry thee whither thou wouldst not. 19 This spake he, signifying by what death he should glorify God. And when he had spoken this, he saith unto him, Follow me.)** He had already told him in Mathew 16 he would give him the keys to the kingdom of heaven. **(Mathew 16:19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.)** ? You're looking at it. Peter was crucified upside down. That's why Saint Peter's Basilica/Palace of the Serpent is mocking all of us by building the entire Palace of the serpent into the shape of an upside down cross, because Peter was crucified on a cross upside down, and the key hole is locked and shut. That is why they built a big black key hole and that is why they put the altar of Saint Peter's at the head of the cross, which is also the mouth of a locust. Also on the outside of the church it is the mouth of the serpent, and Peter's throne is right there at the mouth of the serpent. Now the entire throne is a dead sheep, what are you looking at, you are looking at a dead sheep, but one way it's the Virgin, but when you turn it upside down it's a dead sheep. That is why they crucified Peter upside down. Peter asked to be crucified upside down by the way.

Acts of Peter XXXVII " I beseech you the executioners,

crucify me thus, with **the head downward and not otherwise**: and the reason wherefore, I will tell unto them that hear. And when they hanged him up after the manner he desired, he began again to say: "Ye men unto whom it belongeth to hear, hearken to that which I shall declare unto you at this especial time as I hang here. **Learn ye the mystery of all**

nature, and the beginning of all things, what it was. For the first man, whose race I bear in mine appearance (or, of the race of whom I bear the likeness), **Fell (was borne) head downwards, and showed forth a**

manner of birth such as was not heretofore: for it was dead, having no motion. He, then, being pulled down—who also cast his first state down under the earth—established this whole disposition of all things, being hanged up an image of the creation (vocation) wherein he made the things of the right hand into left and the left hand into right hand, and changed about all the marks of their nature, so that he thought those things that were not fair to be fair, and those that were in truth evil, to be good.

Concerning which the Lord saith in a mystery: Unless ye make the things of the right hand as those of the left, **and those of the left as those of the right**, and **those that are above as those of below**, and those that are behind as those that are before...**ye shall NOT have knowledge of the KINGDOM."**

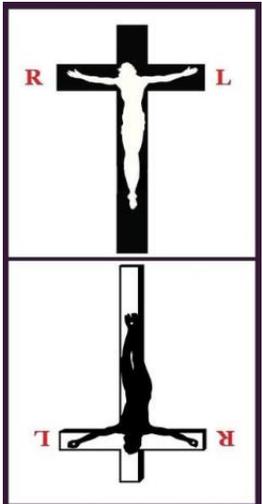

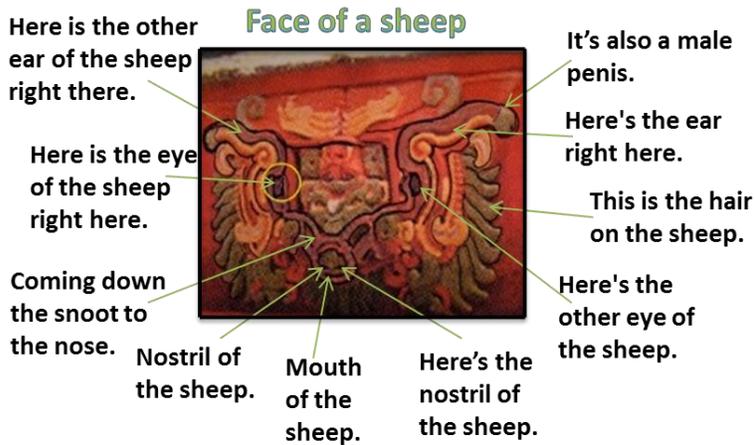

Exhibit # 5

Postcard

Once again, this is a face of a sheep. It's a Mayan representation of a sheep. Don't forget Isaiah 29:15 says those who try and hide their plans from the Lord are doomed, they carry out their schemes in secret and think no one will see them or know what they are doing they turn everything upside down. (GNT Isaiah 29:15-16 **15 Those who try to hide their plans from the Lord are doomed! They carry out their schemes in secret and think no one will see them or know what they are doing. 16 They turn everything upside down. Which is more important, the potter or the clay? Can something you have made say, "You didn't make me"? Or can it say, "You don't know what you are doing"?**) I like the King James Version (KJV Isaiah 29:16 **Surely your turning of things upside down shall be esteemed as the potter's clay: for shall**

the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?)

Here is the face of the Mayan.

I took the images off this pyramid right here.

So you have the same image here, here and here and around the pyramid.

Let's turn it upside down. This is a Mayan in the image below from Guatemala wearing some ridiculous headdress. Let me show you where this comes from. It's from this pyramid that's in a museum from Guatemala. Again, this was a post card sent by someone very close to me and I was able to see that this is a dead sheep and all you have to do is turn it upside down. You have this entire agenda of dead sheep, once again, that is absolutely mind-boggling. Let us closely look at the image one more time and let me show what else is on it. Okay I have turned the entire pyramid upside down in the image below, that's the image of the sheep. You can clearly see it since I have already pointed it out to you. It should be very easy to see; the other way it is a Mayan king. There is a devil super imposed on the face of the sheep and it has the female and the male reproductive systems.

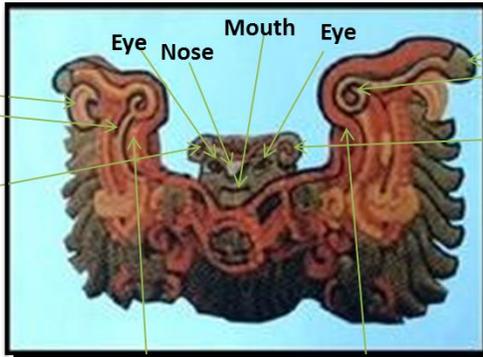

There is the image of the sheep, you can clearly see it. There is the eye of the sheep.

Okay now let's look at the devil with horns. He also has wings, kind of like an owl (Image on the next page.) Once again at the end of this presentation you're going to be seeing owls. So remember you saw a devil like creature. That also has a connotation of an owl and it is accumulatively the male reproductive system as well as the female reproductive system because the flesh is Satan's idea and Satan rules the flesh. Now let me show you where it goes on the sheep. there's the image of the devil. So now we have another sheep. When you turn the image of the king upside down it produces another sheep. So now we have this ongoing common denominator that is just unarguable. It is not even open up for any kind of debate whatsoever. Once again this is a super natural spiritual gift that the Lord gave me to give to you, because I 'am a bell ringer, the end of the

world is coming, Jesus is coming and the destruction of the sheep is Satan's number one goal.

The whole thing becomes the Female reproductive system, Ovary, fallopian tube.

Image of the Devil with wings

He has these wings, kind of like an owl.

Face of the sheep

I put the image of the devil; you can see him rite on the face of the sheep. Right here's the eye, here's his other eye right here, and here's his mouth.

Exhibit #6 Greeting card

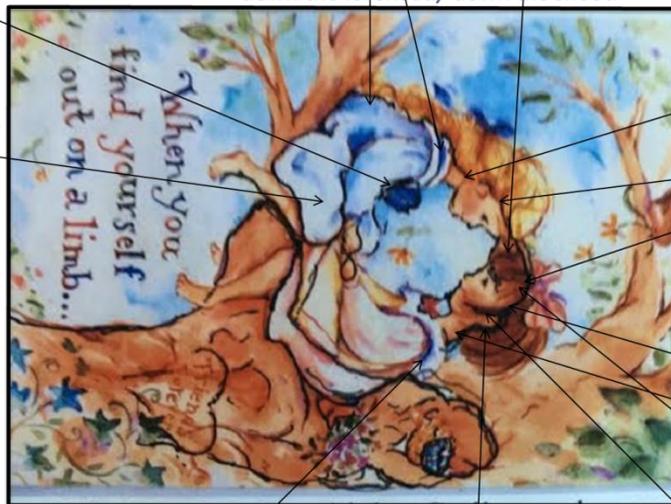

Okay so here is exhibit number 6. It is a greeting card given by someone very close to me. When it was given to me, I knew something was very wrong with it. Therefore, I want you to look at the image below, it is a serpent eating a sheep.

You see this right here, the blue, that's the eye of the sheep.

Top of the head of the sheep coming down the forehead, down the snout.

This is the ear going down right here.

All you have to do if follow the lines rite here, of the outline of the girls and under her hair, see there's a definite line there and continue following the line. As you continue following the line it will manifest into the sheep.

Now there is a serpent eating a sheep you all can probably see it already.

Here becomes the neck of the sheep.

This coloration of the girls bangs, that makes the nose of the sheep. This line right here makes the mouth of the sheep and then her ear underneath makes the bottom jaw of the sheep. That's why it's colored that color.

Sheep

A serpent eating a sheep.

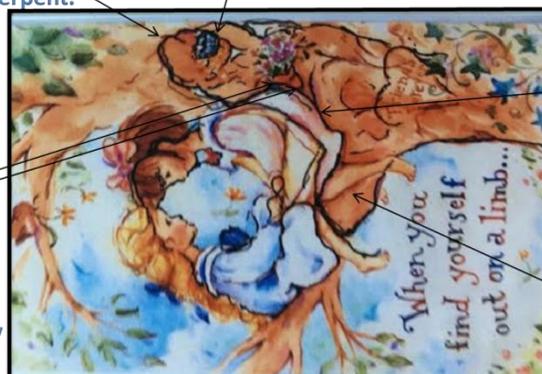

Here is the nose of the serpent.

Here is the eye.

The jaw is wide open right here.

Look at the coloration here and here. This coloration, that is very distinct. Snakes when their jaws unhinge, they get a different coloration in here.

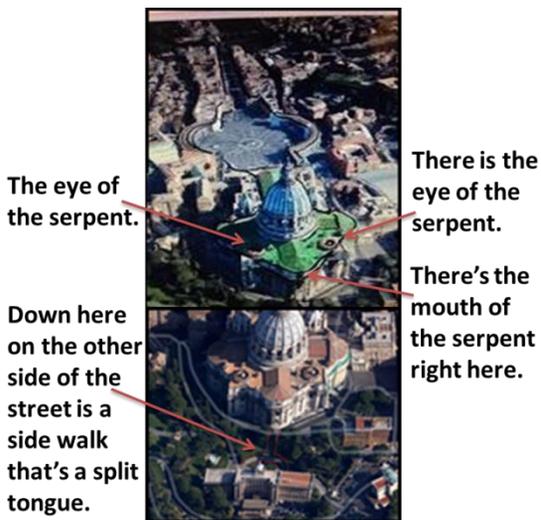

There is the bottom jaw open.

Explanation Before Exhibit #7

Before we continue with the next part, I want to show you something. I want to orientate you and have you understand how profound, what you're looking at is. You have seen a bunch of images of sheep with their tongues sticking out. You saw an image that was done of me, by a guy name Marcel. That was exhibit 1 and you saw that he put an image of a sheep on top of my head, with his tongue sticking out and a goat on the back of my head. In addition, when the image was turned upside down there is a serpent eating me. Therefore, we have common denominator of sheep with their tongues sticking out and serpents eating those sheep, just like the greeting card I just showed you.

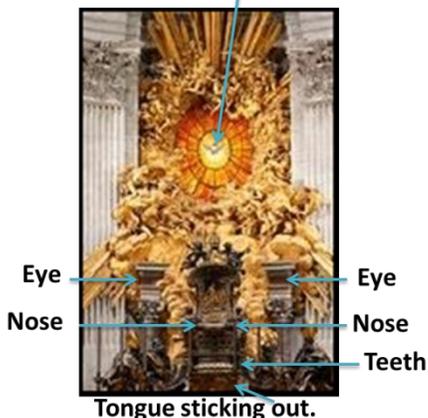

Okay well I want to show you the Vatican and its orientation so you Understand just how profound this all is. Now the image to the left is from google earth. There is a key hole that's been circled in yellow and the Vatican its self is this upside down cross that is red.

Well the way the Holy Spirit works with me, is he had someone else notice this and when that person showed it to me, I was like oh my Lord it's an upside down cross at the base of a keyhole. That's because they've hidden the key to knowledge, just like the Bible says. But then the Lord said **"Jonathan look at it at a 45 degree angle."** So I came in and looked at this at a 45 degree angle and when I did I just about fell out of my chair and I went oh my God the entire Vatican is a serpent wearing a crown. Oddly on the other side of the street is a side walk that's a split tongue. It's absolutely mind-boggling. Let me tell you about the word Basilica and don't forget it's Saint Peter's Basilica. Peter was crucified upside down and the word **Basilica = royal abode of the king serpent.** Your looking at a building that has been built to resemble a big serpent wearing a crown as well as an upside down cross, that's just mind boggling.

This window right here, that's the mouth of the serpent.

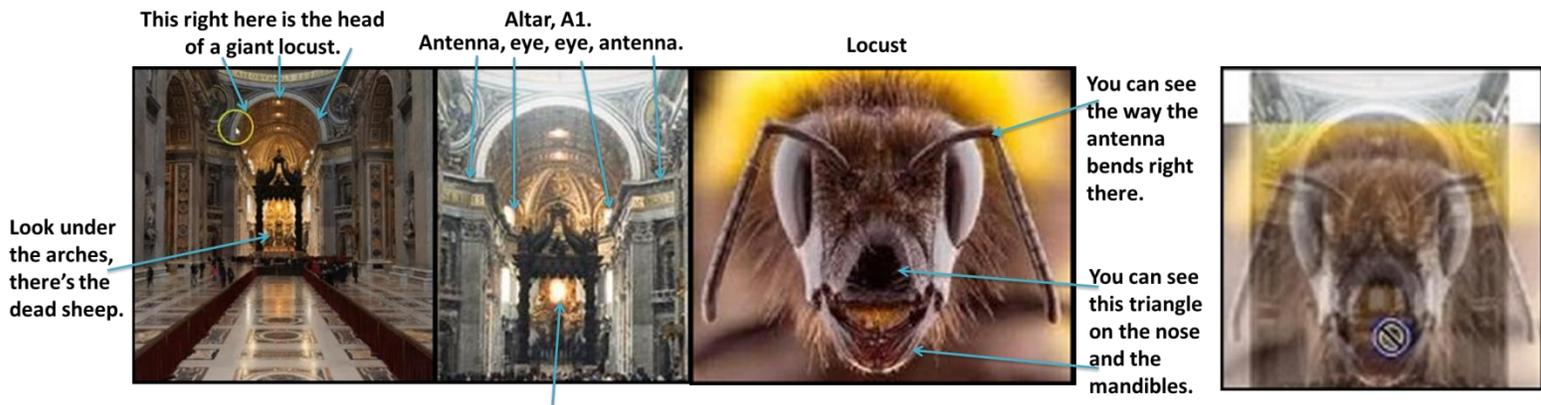

Next you have seen this thrown inside the Vatican I've shown it to you, it's called Saint Peter's throne and the throne its self is an image of a sheep. It's also the female reproductive system and the window above the sheep's head is the mouth of the serpent. So if you're on the inside of the Vatican, all the dead sheep are all Gods angels being sucked into this vortex, which is the female reproductive system. That's why they worship the virgin. All God's angels are being birthed into the flesh

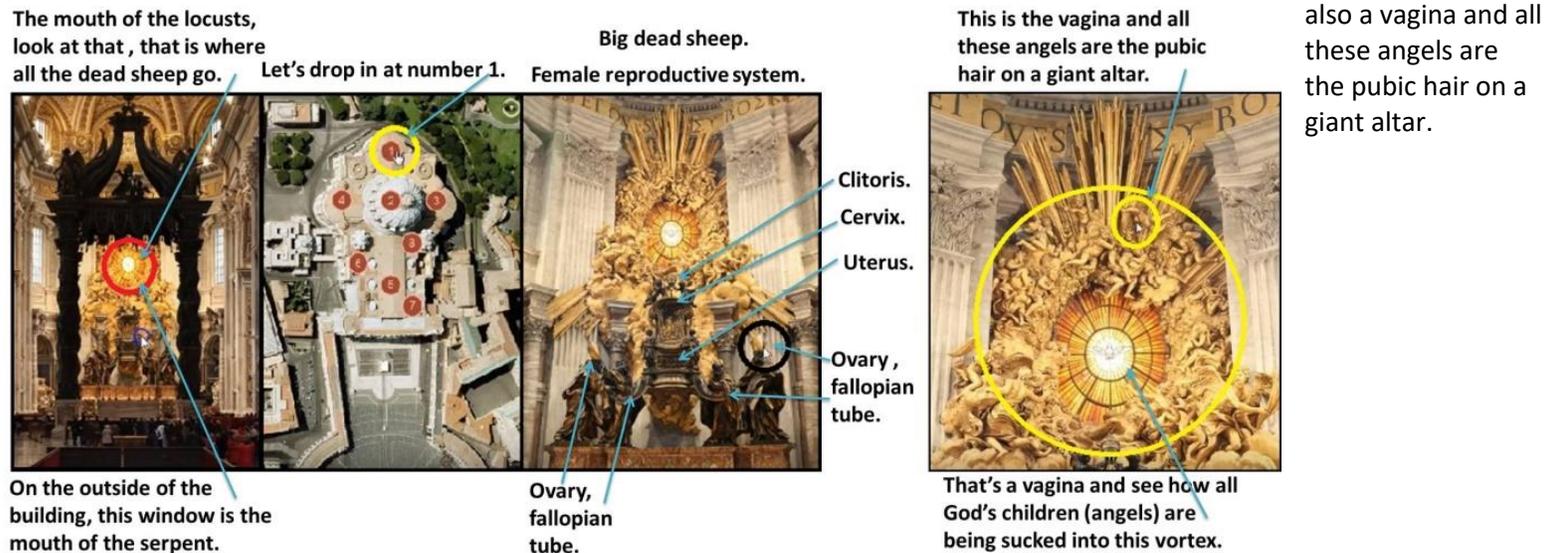

So let me show you, this is Saint Peter's basilica, the orientation is upside down. Now the keyhole is upside down and the cross is rite side up. I've flipped it and I want to show you. We're going to drop in at section number 5 of the Vatican.

So now, when we walk into the Vatican (Section 5), we will be facing towards this giant thrown. I want you to look under the arches, there's the dead sheep. The image below shows the head of a giant locust.

Well Revelation 9 say's when the pit is opened out comes smoke and locusts. They are super natural and they cannot be killed, they have the ability to sting. In those days men will seek death and they will not find it. (**Revelation 9:2** And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. **3** And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. **4** And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads. **5** And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man. **6** And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.) In the Vatican above, you're looking at the queen locust. Now let me show you a representation of that image. I have overlaid an image of an actual locust over the arches in the Vatican. The images are identical. The mouth of the locust is where all the dead sheep go and on the outside of the building, the window is the mouth of the serpent as well. Let's back out of and let's drop in at number 1. So look there's our big dead sheep and there is the female reproductive system. This is

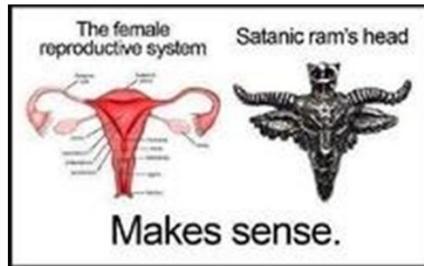

The vagina shows how all God's children (angels) are being sucked into this vortex. Those who try and hide their plans from the Lord are doomed, they carry out their schemes in secret and think no one will see them or know what they are doing, they turn everything upside down. Let me also share with you the female reproductive system. You have already seen these images edited in. But I wanted to give you a brief explanation.

Right here in this image of this woman.

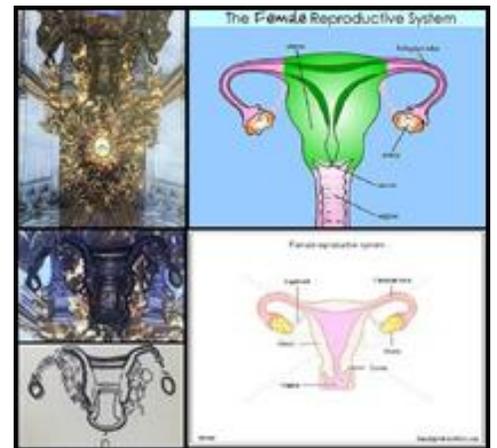

Here's the female reproductive system.

Here is the thrown of saint peter turned upside down.

Here is the thrown of saint peter turned upside down and I took a clear plastic layover and I traced over the entire whole image. That is the female reproductive system. That is absolutely the female reproductive system and that is a vagina. That's what it is, now let me show you how easy this is to comprehend. The reproductive system totally mimics the head of Baphomet, it's identical. If I go over the picture of the woman's ovaries with the Baphomet, it matches perfectly.

Giant Locust.

This is the mouth of the locust.

So once again, this is a giant Locust and the mouth of the locust has sheep that are dead going into it. Those sheep are God's angels being pulled into the mouth and the angels are being birthed into the flesh, so the flesh is your prison suit.

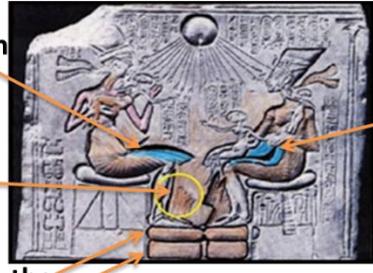

I will continue to prove this using the scriptures as we continue. I don't think anyone on planet earth can argue that's a giant dead sheep and I 'am giving you court admissible evidence. Over all these years people have been drawing images of me with dead sheep on those images or they draw or give me a greeting card. My significant other gave me a greeting card with a dead sheep and a serpent eating the sheep, another member of my family give me a post card from Guatemala, when you turn it over it's a female reproductive system and a dead sheep with the devil super imposed over it. So I will continue to present the evidence. This is an unarguable common denominator. Let's continue and move on to the next exhibits with images.

EXHIBIT #7 HIEROGLYPH OF AKHENATEN & NEFERTITI

Face of the evil one.

Okay so now you are looking at exhibit number 7. On this image is the face of the evil one and accumulatively it is the sum of the evil one.

There's an eye here.
Comes down the nose here.
These are the lips down here.

Eye Here.

Image of a face.

Coming down, negative space is the nose.
There's stools that their feet are on, these are the lips.

There's an eye here.
This is the line between the lips.

This thing is chalked full of imagery.

There's actually a profile right here, of a guy that's trapped in hell.

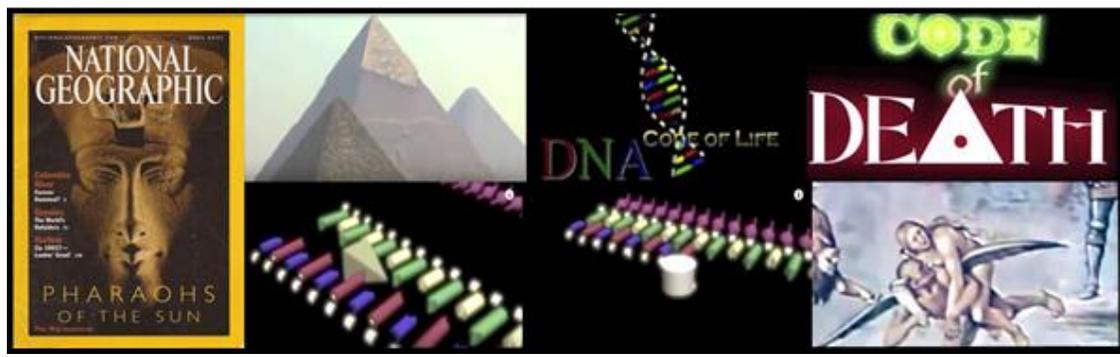

There's his profile right there.

There's his eye.
His nose.
His mouth.
His chin.
His neck going down.

This thing is chalked full of imagery. There's actually a profile of a guy that's trapped in hell.

It's like a spirit that can't get out.

Who made the pyramids? Where did they come from? Were these the sons of God mentioned in the bible? Did they bring the code of death? Did they split our DNA? Did they duplicate our DNA and did they add their own DNA? The bible tells a story in Genesis 6. It says that they did. It says the fallen

angels had sex with human woman and created the Nephilim. (**Genesis 6:4** There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.) Who were they? Who is the Nephilim? What is the end result? Is the end result a kingdom that's divided against its self? The book of Daniel tells us another clue. It says in the last kingdom, they shall mix themselves with the seed of man. What would be the outward manifestation of this? Would there be signs? Something that we could see with our own eyes right in front of our face? (**Daniel 2:43** And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.) So obvious, hidden in plain sight that it became invisible, right in front of our faces, as we walk around in a deep sleep. Unable to see it, unable

to recognize it. Would this be the recombinant DNA putting back together of another species, one mixed with another? Who are they? Who are we? Where are we going as a species? This document is to answer these questions and the only answers are in the bible.

Are we the bene ha 'Elohim? Are we a kingdom divided? Are the wars within us? They have said those who try to hide their plans from the Lord are doomed. "They

carry out their schemes in secret and think no one will see them or know what they are doing, they turn everything upside down."

Let's talk about spiritual Gifts!

1Corinthians 12:7 But the manifestation of the Spirit is given to every man to profit withal.

1Corinthians 12:8 For to one is given by the Spirit the word of wisdom; to another the word of knowledge

Let's do a Puzzle!!

This is a SHEEP.

Let's draw 1/2 the face of the Devil.

Hey! Let's put 1/2 Devil! ON The Sheep!

Now we have a 1/2 Devil and a 1/2 sheep! Wow

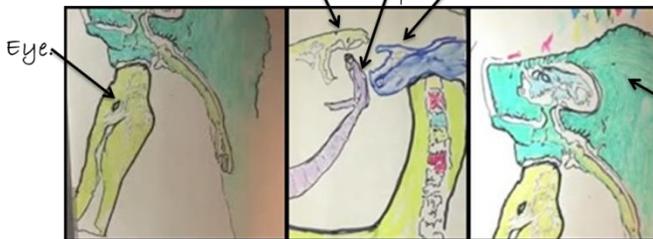

Hmmm that was weird :)

Isaiah 29:15 Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who seeth us? and who knoweth us? **Isaiah 29:16** Surely your turning of things upside down shall be esteemed as the potter's clay:

Let's talk about Snakes.

Here are 3 Serpents with their mouths open.

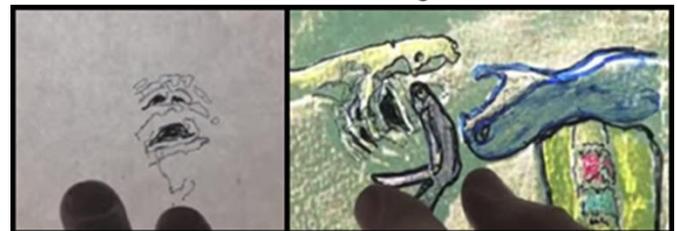

Here is a BIG Python.

Hey. I almost forgot see the big reptile head.

Let's see where they go!

Who is this Guy?

Ooops! Forgot the Python's Tail.

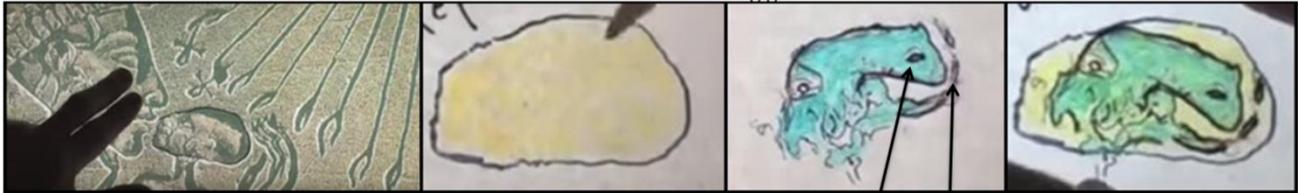

DNA Transcription?

Let's call that a Reptile Egg!

Now we need a baby Reptile to go into the egg.

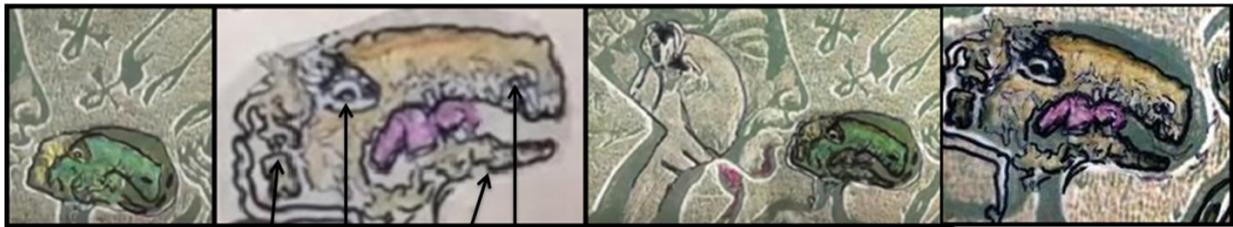

Let's put the egg with the baby Reptile.

Here he is! Fetal position, eye, tail.

Let's see where they go!

Here's Another Sheep with it's tongue sticking out.

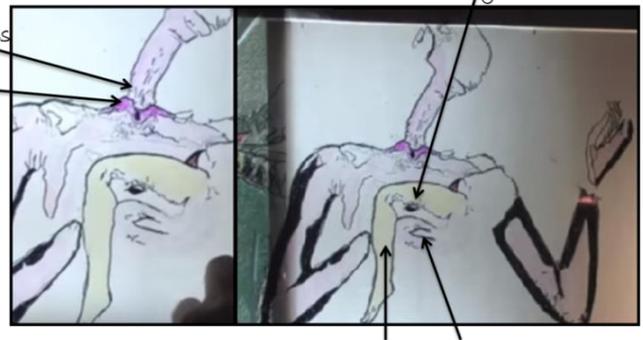

Ear. Eye. Bottom jaw. Nostril.

Here is where things get weird! Kinda X-rated

This is a female on her knees let's start at her eyes.

Hey, Let's draw an Alien.

Here is a penis penetrating a vagina.

Remember *Isaiah 29*

15 Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who seeth us? and who knoweth us?**16** Surely your turning of things upside down shall be esteemed as the potter's clay:

Almost forgot. A guy spirit trapped in hell.

Okay we are going to present more of the exhibits. This is going to be exhibit 8. This is a drawing done by a young man named Alex; he was a barista at Starbucks. A friend of mine used to manage a Starbucks. He was an assistant manager. There was a young man named Alex that used to wink his eye and stick out his tongue at me. (**John 15:25** *But this cometh to pass, that the word might be fulfilled that is written in their law, They hated me without a cause, Psalms 35:19* *Let not them that are mine enemies wrongfully rejoice over me: neither let them (((wink with the eye))) that hate me without a cause.*) All the time I would go in he would say hey Johnny how you doing? And he would stick his tongue out to the side. (**Isaiah 57:4** *Against whom do ye sport yourselves? against whom make ye a wide mouth, and draw out the tongue? are ye not children of transgression, a seed of falsehood,*) That is a manifestation of John 15 as well as psalm 35:19, as well as Isaiah 57:4 and so I knew by his manifestation and his mannerism that he was imbued with that demonic spirit. So when I went into Starbucks I told Chris, I said hey Chris, I will bet you a million dollars Alex over there offers to draw a picture of me and when he does, he puts an image of a dead sheep on the image he draws of me. Well Chris looked at me

Exhibit #8 Drawing done by Alex

as if I was absolutely nuts. He was like are you ok? What's up! I said I 'd bet you a million dollars. If I ever sell my intellectual property from my sunglass company, I will give you a million dollars and he says I will take it. So my question to you is, how could anyone walk into any place and say that guy right over there is going to draw a picture of me? Moreover, when he does he's going to put an image of a dead sheep on my face and be right? I mean...no, only unless the Lord God is leading you. Now I said that kid is going to draw an image of me with a dead sheep on my face and Chris was like...random, and sure enough that's what he did. There is a part from a movie called "the Time Machine"-2002 with Guy Pearce and Orlando Jones. Where Alexander (Guy Pearce) says, "Can you tell me what's happening here? And then Vox (Orlando Jones) answers saying "Well my sources are no longer fully annotated, but my information is somewhat anecdotal, but I believe what was once one race is now two, one above and one below, two distinct species that have evolved. Then Alexander (Guy Pearce) asked "How do those below survive?" Vox (Orlando Jones) answers saying "That is a real question isn't it!? Bbbaaaaahhhh, like a sheep and the guy winks his eye." These two

as if I was absolutely nuts. He was like are you ok? What's up! I said I 'd bet you a million dollars. These two

buildings called the twintowers, you all should know by now that they were a representation of the wheat and the weeds. (**Genesis 3:15** *And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.*) The two different races that were growing alongside each other. The wheat and the weeds, or the sheep and the goats. (**Isaiah 52:5** *"And now what do I have here?" declares the LORD. "For my people have been taken away for nothing, and those who rule them mock," declares the LORD. "And all day long my name is constantly blasphemed.)*

Eyes that are open.

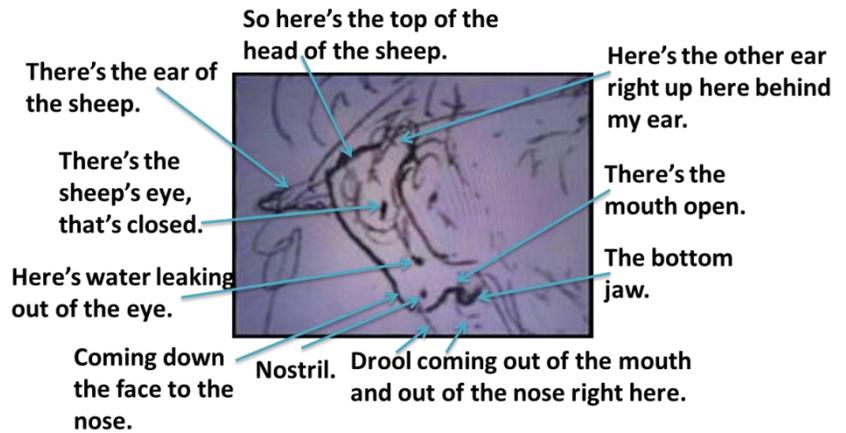

He specifically made these lines right here under the eyes. Closed eyes.

Alex at Starbucks drew this picture of me. He specifically made these lines under the eyes. He purposely put these lines there and if you take your hands and cover up my eyes, it will look like my eyes are closed. He did that as two different sets of eyes, one that open and underneath, what are supposed to be bags under my eyes, represent closed eyes. That's Satan mocking me. Just like Jesus said "If you were blind you wouldn't be guilty, but your guilt remains because you claim you can see" Well I knew he was gonna do this, I even said he was gonna do it (**John 9:39** And Jesus said, For judgment I am come into this world, that they which see not might see; and that they which see might be made blind. **40** And some of the Pharisees which were with him heard these words, and said unto him, Are we blind also?) and he did it. Then when I confronted him, he turned it Satan in the middle of Starbucks.

Let me show

you what's on this image now. Behind my ear he put the image of the sheep. The sheep's eye is closed. It's closed because the sheep is dead. There is water leaking out of the eye, the liquid coming out going out of the eye to a teardrop. He used what's supposed to be the back part of my duh-rag that I was wearing and he drew on a piece of cloth that makes the ear of the sheep. So he did he put an image of a dead sheep on my face. There it is, and we are going to move on to exhibit number 9 now.

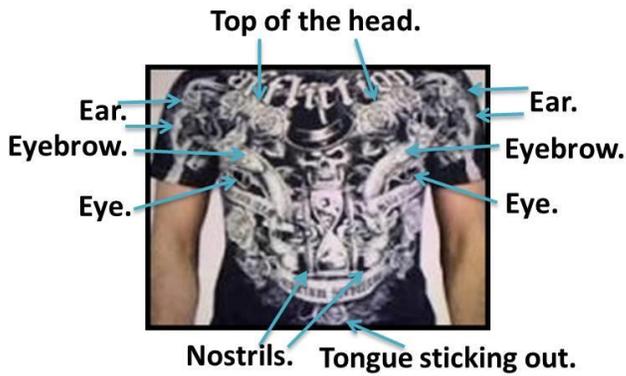

Exhibit # 9 Affliction T-Shirt.

Dead Sheep again. This world is so dark. That you would probably not believe how dark it is till you wake up. Now let's look at Daniel 12, in the Bible and Strong's concordance. (**Daniel 12:1** And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be **a time of trouble**, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.) Let me show you what this means and let me tie it together for you, **A time of trouble**. Remember, I met Michael in an alley, an angel, God's angel. He said, "pray with me **my brother**." We prayed our father looking towards the sky and I received the Holy Spirit. Then he told me, "you say a Hail Mary", because he wanted me to see where death came from and that's what I've been showing you. It's obviously very conclusive at this point. But wait, it will be even more conclusive by the time I'm done with this info. There will

be **a time of trouble**. This is the great tribulation. Let me show you what that means. The word **Michael** = (*me-kaw-ale'* From **H4310** and (the prefixed derivation from) **H3588** and **H410**; *who (is) like God?*; *Mikael*, the name of an archangel and of nine Israelites: - Michael.) And that's who I met in the alley. So at that time, what time? The time of the end, shall Michael stand up, the great prince, which standeth for the children of thy people: and there shall be a time of trouble. Let me show you what the word **trouble** is = (*tsaw-raw'* Feminine of **H6862**: *tightness* (that is, figuratively *trouble*); transitively **a female rival**: - adversary, adversity, affliction, anguish, distress, tribulation, trouble.) Female rival?

Wait a minute. You mean like virgin worship. Yes. Those that worship the virgin, they are that female rival. That's why when you turn the virgin upside down, it equals death. This is the female rival that destroys the children of God. When you turn the virgin (female rival) upside down, it is a dead sheep. So that's what's coming, the female rival and that is the queen of heaven / Lucifer in the pit. (**A female rival**: - adversary, adversity, **affliction**, anguish, distress, **tribulation**, trouble)

Let's look at a clothing line called **affliction**. That's a **DEAD SHEEP** with its tongue sticking out, on a t-shirt. The middle is an hour glass but hidden, it is really D.N.A. So why is affliction putting a dead sheep on a t- shirt? **Time of trouble**, **affliction**, dead sheep, **female rival**.

Re-capitulation of Exhibits 1 thru 9.

Starting on exhibit 10 we are going to get into the Vatican and the all end be all of this presentation. Let me give you some scriptures first.

Jesus is the truth, and he has come to judge the world and to give sight to the blind, and to show those that think they see that they are blind. When the Jews said are you saying that we are blind and Jesus said, if you were blind you would not be guilty, but your guilt remains because you claim you can see. I am bearing witness to that blindness. (**John 9:39** And Jesus said, **For judgment I am come into this world, that they which see not might see; and that they which see might be made blind. John 9:40** And *some* of the Pharisees which were with him heard these words, and said unto him, Are we blind also? **John 9:41** Jesus said unto them, **If ye were blind, ye should have no sin: but now ye say, We see; therefore your sin remaineth.**) That is the spiritual blindness I am a testament too and that's the gift that God has given me so that I can show this to you. Everywhere I go I can see it. This is just the ability to see past the illusion. Ok let's re-capitulate the exhibits 1 thru-9. Each exhibit will have its own purpose.

Exhibit #1: The purpose of exhibit one is to show pre destination. Exhibit one is the vampire marketing that I own and literally

lived out before I was saved. I was falling out of the sky and everything was upside down with fangs on, and landing by a bunch of women that are dressed as vampires. I will give some scriptures with exhibit # 1. (**Romans 8:28** And we know that all things work together for good to them that love God, to them who are the called according to *his* purpose. **29** For whom he did foreknow, he also did predestinate *to be* conformed to the image of his Son, that he might be the firstborn among many brethren. **30** Moreover

whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified.) Let me show you very quickly, come out of the darkness and into the light. By the way that's a upside down pyramid. The pyramid is your enemy. **So all the evidence for Exhibit #1 show's predestination.** Remember the tag line for the company was come out of the darkness and into the light, with Vlad eyewear. It was even on our stationary. Ok let me show you 1st Peter 2. (**1 Peter 2:9** But ye *are* a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light) That logo you are looking at is from the year 2001. The sky diving pictures in this document is me, it is what I use to do.

Exhibit #2: The purpose of this is to show our blindness before we are saved. Before I was saved this was drawn of me.

It was drawn by a guy named Marcel, in a warehouse, where I had my sunglass company. He was an artist and specialized in the images of the virgin and he drew this on a piece of wood. He put an image of a dead sheep on top of my head but I couldn't see the image of the dead sheep. When he gave it to me, I also couldn't see the goat on the back of my head because I was still in my sin. I had not been converted yet. Here is a scripture to compare this too. (**John 9:39** And Jesus said, **For judgment I am come into this world, that they which see not might see; and that they which see might be made blind. 40** And *some* of the Pharisees which were with him heard these words, and said unto him, Are we blind also? **41** Jesus said unto them, **If ye were blind, ye should have no sin: but now ye say, We see; therefore your sin remaineth.**) It wasn't till after I got saved that I was able to see a dead sheep on top of my head and that there is a goat on the back of my head. There is also a serpent eating me. He had signed his name on the drawing and had

made an image like a Mayan or a Aztec Indian. When he signed his name, he also put three pyramids. Jesus said, "When the son of man comes with all his glory with all his holy angels, he will sit on his throne of his glory and he will separate the sheep from the goats." You see that in the drawing. We are a combination of the two. Until you are converted this is your condition, that you are food for Satan.

Exhibit #3: My personal testimony, in my testimony I said that the Holy Spirit lead me threw a hotel and out the back door to the fire escape stairs. I opened the door and went down where I met Michael the ark angel. He said, "pray with me my brother." That means somehow, I was the brother of an angel. That's why I was called to service to give you the most profound information you could ever begin to understand. Once again, the purpose of exhibit #3 is that I was given the unrolled scroll, the understanding of the Bible. The first communication was to read the tags on my shirt. I read the words 100% Nylon. At that time, it made absolutely no sense and I said I do not understand. Moreover, the Lord said, "turn it upside down". Then it read 100% Nolyen. So the

Lord was delivering the unrolled scroll to me. The 100% truth of the Bible. There were two purposes in exhibit #3. The delivery of the unrolled scroll and to show me were death came from. That's why after I was saved, Michael told me, "now you say a hail Mary." When I said the Hail Mary I felt death. The purpose was to give me the unrolled scroll, to know where death came from and to know the mystery of the human race. I was told to turn everything upside down to see the truth. (**Isaiah 29:15** Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who seeth us? and who knoweth us? **16** Surely your turning of things upside down shall be esteemed as the potter's clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?)

Exhibit #4: Turn the virgin upside down and it becomes a dead sheep. This is a confirmation of what was told to me in the alley. It

was absolutely correct, when you pray to the virgin, it equals death. This is the image of the virgin that the lord used for me to unlock it. It's also a manifestation of Isaiah 29. Vs 15-16. So therefore once again, confirming the experience in the alley. Therefore the virgin worship is Satan's church. To further augment this let me give you another scripture in the bible (**Isaiah 29:10** For the LORD hath poured out upon you the spirit of deep sleep, and hath closed your eyes: the prophets and your rulers, the seers hath he covered. **11** And the vision of all is become unto you as the words of a book that is sealed, which *men* deliver to one that is learned, saying, Read this, I pray thee: and he saith, I cannot; for it *is* sealed: **12** And the book is delivered to him that is not learned, saying, Read this, I pray thee: and he saith, I am

not learned.) Let me remind you of the first image that was drawn of me by Marcel, he made my eyes closed. Because that spirit knows that we are asleep. (**Isaiah 29:13** Wherefore the Lord said, Forasmuch as this people draw near *me* with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men: **14** Therefore, behold, I will proceed to do a marvellous work among this people, *even* a marvellous work and a wonder: for the wisdom of their wise *men* shall perish, and the understanding of their prudent *men* shall be hid. **15** Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who seeth us? and who knoweth us? **16** Surely your turning of things upside down shall be esteemed as the potter's clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?) So the marvelous work that the Lord is going to do is to show his servants, turn everything upside down, that is the marvelous work. Now take a look at this scripture. (**Isaiah 29:17** *Is* it not yet a very little while, and Lebanon shall be turned into a fruitful field, and the fruitful field shall be esteemed as a forest? **18** And in that day shall the deaf hear the words of the book, and the eyes of the blind shall see out of obscurity, and out of darkness.) Remember exhibit #1, come out of the darkness and into the light? This is just more truth of predestination.

Exhibit #5: This is a post card that was given to me by a family member of mine from Guatemala. Once again, in this exhibit, it can

also shown that the worst enemies will be members of your own household. (**Matthew 10:34** Think not that I am come to send peace on earth: I came not to send peace, but a sword. **35** For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. **36** And a man's foes *shall be* they of his own household. **37** He that loveth father or mother more than me is not worthy of me: and he that loveth son or daughter more than me is not worthy of

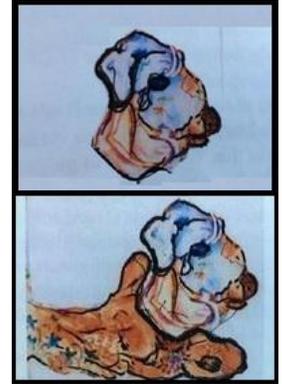

me.) The reason is because you cannot see past the skin but God can. In many cases, the Lord has allowed me to see past the skin and part of that is in the delivery of this testimony. Here is the image of the post card upside down, what was a king wearing a headdress becomes a male and female reproductive system and a sheep with the devil super imposed on the sheep. Just like the sheep and the goats, the wheat and the weeds in the bible. The cumulative sum of the whole thing is the female reproductive system. That is exhibit #5 and the purpose is to show you that even your own family, that spirit that does this is mocking you. That

is because we are not of the earth. We are born from above and we are walking out our sentence here. I have been redeemed from my death sentence by the Lord God my father Jesus himself who took on the flesh, and became the Son of Man, Yeshua the Messiah. My father bought back my freedom on a cross so satan would not be able to use me as food for his race of beings.

Exhibit # 6: One of the closest people to me in my life gave this card to me. When the card was given to me, I knew something was

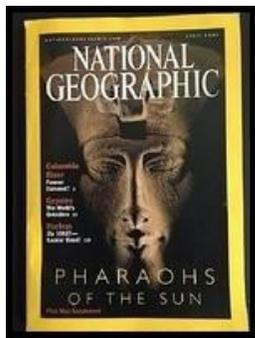

very wrong with it. It wasn't appropriate it and it did not make sense that I was given two girls sitting in a tree. It did not go with who gave it to me. It says "When You Find Yourself out on a limb." You open the card up and it says, "You'll always have a friend in me." Well the Bible says if you love your mother or father more than you love me, then you are not worthy of me, if you love your husband, your wife, your children, more than me then you are not worthy of me. When this card was given to me, it was as big of a

heartbreak that you could possibly have. Let me show you what is in this card now. This is once again confirmation of everything else I was shown. So when you rotate the card. I can show that there is a Sheep in the image on the right. Let me show you once again, there is a serpent eating the sheep, and when you turn the card and you rotate it, there is the serpent upside down, you can see the eye, the nose and the front of the mouth. The jaw is wide open and it is swallowing the sheep. This was given to me by the person I was closest too. I was unbelievably blown away. The bible says families will be torn apart. There will be three for me and two against me or the other way around. REMEMBER I HAVE WARNED YOU.

Exhibit #7: In year 2004, I was shown by the Lord around the National Geographic magazine, edition: April 2001. It's called

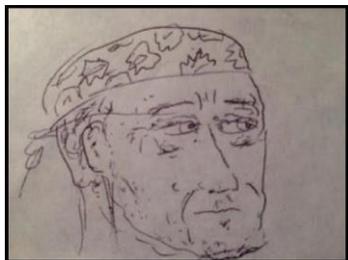

Pharaohs of the sun. In this exhibit, is a hieroglyph of Ahkenaten and Nefertiti. This hieroglyph literally contains the mystery of human existence. The Hieroglyph has an alien having intercourse with a human woman. There's an alien inside the head of Ahkenaten and when you take the queen Nefertiti upside down, just like Isaiah said. Those that try and hide their plans from the lord they turn everything upside

down. Their plans are doomed, they carry out their schemes in secret and think no one will see them or know what they are doing, they turn everything upside down. As is the virgin the same is with the queen,

when you turn her upside down she becomes a dead sheep. So once again, this is a complete confirmation that I met Michael the archangel, and I'm going to show you another exhibit and scripture so you will know what time it is. Now you can understand how late the hour is. I am building a court admissible case against Lucifer and his demons and they are about to be judged. Those of us who are saved will judge those demons, those angels that were not redeemed. (Isaiah 30:1 Woe to the rebellious children, saith the LORD, that take counsel, but not of me; and that cover with a covering, but not of my spirit, that they may add sin to sin).

Exhibit #8: Is a drawing that was done by someone named Alex in 2011 and there was a video made in 2014 by me and a friend of

mine Chris Hansen who is a manager at Starbucks. The testimony was given on Youtube and Chris gave his testimony, that when I walked into Starbucks because, Alex always winked his eye and would stick out his tongue at me. I am able to discern the spirit that's at work within him because of the manifestation. I told Chris that Alex over there is going to offer to draw a picture of me and when he does, he will draw a dead sheep on the image of me. The dead sheep is behind my ear. Let me give you the scriptures for

that. (John 15:17 These things I command you, that ye love one another. John 15:18 If the world hate you, ye know that it hated me before it hated you. Because the world itself will hate you for knowing the truth, it also says John 15:19 If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you. John 15:20 Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also. John 15:21 But all these things will they do unto you for my name's sake, because they know not him that sent me. John 15:22 If I had not come and spoken unto

them, they had not had sin: but now they have no cloke for their sin.) That cloke is human flesh and when we look at the Hebrew word for cloke, it is (**G4392** **πρόφασις** **prophasis** *prof'-as-is* From a compound of **G4253** and **G5316**; **an outward showing**, that is, *pretext*: - **cloke**, colour, pretence, **show**.) even though Alex looks completely normal he is hiding behind the skin, that is purley demonic. And that is why Alex drew the image of me with an image of a sheep on my face. Now let me show you the manifestation of who they are. I told you that the servant is not greater than master. He that hateth me hatheth my father also. (**John 15:24** **If I had not done among them the works which none other man did, they had not had sin: but now have they both seen and hated both me and my Father. John 15:25** **But this cometh to pass, that the word might be fulfilled that is written in their law, They hated me without a cause.**) Just like Alex's drawing of a picture of me with a dead sheep on my face. That is a really messed up thing to be doing. But in John 15 it says this might cometh to pass **that the word might be fulfilled that is written in their law, They hated me without a cause.** Now pay attention, Psalms 35:19 is what Jesus was talking about. (**Psalms 35:19** **Let not them that are mine enemies wrongfully rejoice over me: neither let them wink with the eye that hate me without a cause.**) Now let me show you a picture of Barack Obama sticking out his tongue and winking his eye. What is the common denominator? He hates Christians. Let me give you one more scripture that explains the winking of the eye that people do. (**Isaiah 57:3** **But draw near hither, ye sons of the sorceress, the seed of the adulterer and the whore. Isaiah 57:4** **Against whom do ye sport yourselves? Against whom make ye a wide mouth, and draw out the tongue? are ye not children of transgression, a seed of falsehood) Let me tell you who the sorceress is, the virgin, virgin worship. Look at Miley Cyrus, look at how she is mocking the sheep, winking her eye?**

Exhibit #9: This is an affliction T-shirt; it's from a very popular clothing line called affliction. It is jam packed with hidden imagery and messages. In this image is a dead sheep. The hour glass in the middle makes a D.N.A. strand an x strand chromosome. You can see the ears on the sleeves, the eyes and a tongue sticking out. This is also to uphold the testimony in the alley with the angel Michael. It says in (**Danial 12:1** **And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.**) **Michael means; who is like God,** mi^yka^'e^l me-kaw-ale' From H4310 and (the prefixed derivation from) H3588 and H410; who (is) like

God?; Mikael, the name of an archangel and of nine Israelites: - Michael. **The word for trouble is** tsa^ra^h tsaw-raw' Feminine of H6862; tightness (that is, figuratively trouble); transitively a **female rival: - adversary, adversity, affliction,** anguish, distress, **tribulation, trouble.** So the time of trouble is the great tribulation, and it says at that time everyone's name that is found written in the book shall be delivered. It is a time of, a **female rival** it is a time of **affliction,** and **tribulation.** It is the great tribulation. Notice that the shirt says affliction, just like the definition of Dan 12, for the time of trouble. It also has a dead sheep on it. All the other images also have dead sheep with their tongue sticking out. It is the time of the female rival turn the virgin upside down it's a dead sheep with its tongue sticking out, it's the other race of beings produced by the virgin. What we will do, just like before a judge, we will recapitulate and give our closing arguments and our case against Lucifer, because Lucifer and all the demons are about to be judged. I am a harbinger and I am here to ring the bell. The name Jonathan kleck means Yahweh has given, that's what Jonathan means. Kleck is a variant of the word glock and it means a bell ringer, someone who rings a bell to gather the church and to sound an alarm, like a town crier, and I have been called by God.

Exhibit #10
LEARN NO THE
MYSTERY OF
ALL THINGS

THE VATICAN CITY IS THE HEART OF THE CATHOLIC CHURCH AND THE POPE IS THE HEAD OF THE CHURCH AND THE SUPREME "SPIRITUAL" LEADER OF ALL OF THE WORLD'S CATHOLICS. BUT THE VATICAN HIDES THE DARKEST SECRET ONE CAN IMAGINE.

#1 The front View of the altar is a representation of a locust.

#2 The chair of St. Peter is a representation of a dead sheep.

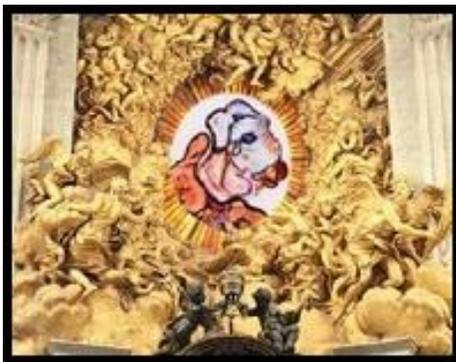

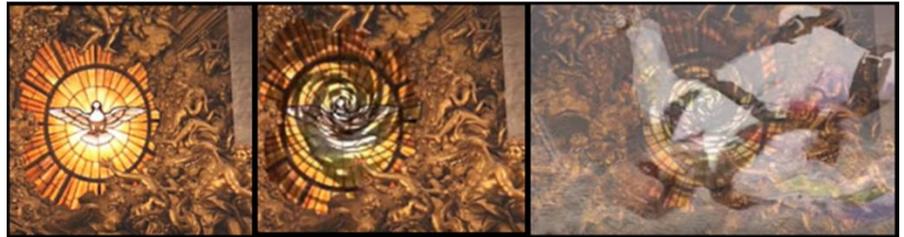

THE ANGEL OF THE BOTTOMLESS PIT TURNS THE TRUTH UPSIDE DOWN AND BACKWARDS.

#4 When the chair is turned upside down, more truths are being revealed. The throne represents the female reproductive system. This is the gateway into this world from the spirit realm.

#3 The angels above the chair are being pulled to a vortex. We are these angels, pulled to a vortex to be born into the flesh.

Acts of Peter XXXVII " I beseech you the executioners, crucify me thus, with **the head downward and not otherwise**: and the reason wherefore, I will tell unto them that hear. And when they hanged him up after the manner he desired, he began again to say: "Ye men unto whom it belongeth to hear, hearken to that which I shall declare unto you at this especial time as I hang here. **Learn ye the mystery of all nature, and the beginning of all things**, what it was. For the first man, whose race I bear in mine appearance (or, of the race of whom I bear the likeness), **Fell (was borne) head downwards,**

and showed forth a manner of birth such as was not heretofore:

for it was dead, having no motion. He, then, being pulled down-who also cast his first state down under the earth-established this whole disposition of all things, being hanged up an image of the creation (vocation) wherein he made the things of the right hand into left and the left hand into right hand, and changed about all the marks of their nature, so that he thought those things that were not fair to be fair, and those that were in truth evil, to be good. **Concerning which the**

Lord saith in a mystery: Unless ye make the things of the right hand as those of the left, **and those of the left as those of the right**, and **those that are above as those of below**, and those that are behind as those that are before...**ye shall NOT have knowledge of the**

KINGDOM.

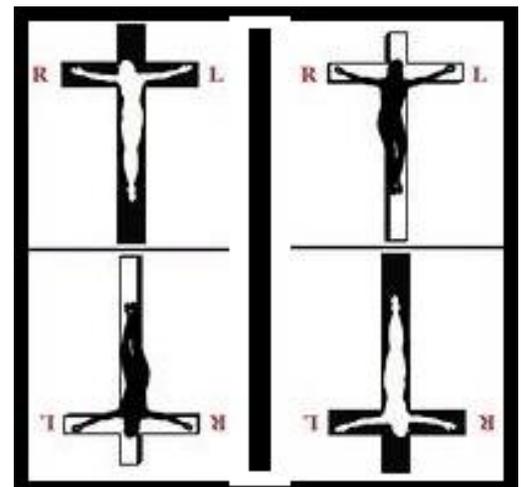

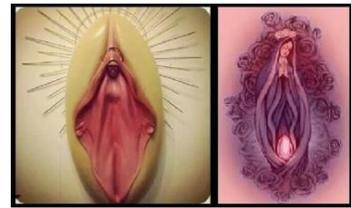

EXHIBIT 11 THE QUEEN OF HEAVEN

All right, know we are going to enter into the final phase of this document. There have already been produced images 1 through 9, as you have well seen. Repetitively the destruction of sheep and the serpent eating sheep, you have seen that things are not as they appear even the Vatican its self Is a large building in the shape of a giant serpent wearing a crown. The mouth of that serpent on the inside is also the mouth of a large locust mentioned in revelation 9. The sheep that are going into the mouth of the locust are food. So nothing is as it seems or appears to be and such will continue. I am going to show you the hall of Constantine, also in the Vatican Museum. At the end of the hallway, you will see this image on the left of the page. I was in complete and utter shock when the Lord showed me this. He showed me this so I could understand the whole puzzle, even though the puzzle had become painfully obvious.

On the right is the image of the dragon and we all know that in the bible the dragon is symbolic of the devil and is actually the collective consciousness of Lucifer. I am going to show you what this really is and to your eyes, it may look like one thing but for the vision, the Lord has allowed me to have and to show you is also going to allow you to see what this really is. Take the image above this is actually Lucifer. REMEMBER THINGS ARE NOT ALWAYS WHAT THEY SEEM. I AM GOING TO SHOW YOU IMAGES OF THE VIRGIN. You must understand before I continue you, this goes back to the Garden of Eden. This is actually the worship of Eve

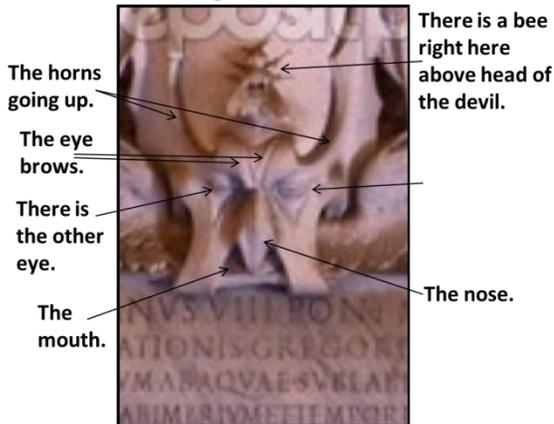

as the one that fell, the reason they worship the virgin is because the virgin is where this race of beings got their start and is using Gods children as food for their demons. This is not just an image on the left of a virgin, it is also a female vagina, and the same as the largest alter in the world. When you turn it upside down, it is a female vagina. I just want to clarify and make sure you understand just what exactly it is you're looking

at. I will also give you another image of a piece of jewelry just to make it very clear and I am sorry that we have to deal with this. Okay this is supposedly an image of the virgin; this is an image of a female vagina. So why would somebody were that around there neck? Satan's race worships that, the reproductive system is what Satan runs his world out of, because the flesh belongs to Satan. If you'll remember, when you turn Saint Peters

altar in the Vatican upside down, the entire thing becomes the female reproductive system. The entire altar is a dead sheep and a giant vagina that people get on their knees in front of and worship. Isaiah said those who try to hide their plans from the lord, they turn everything upside down. There plans are to capture Gods angels and turn them into food, by having them birthed into the flesh and when not reconciled to God they become food for Satan and his demons. Those are there plans and the rest of the previous part of this document is 100 percent conclusive. Now let me continue and let me show you were this is going to go.

You are looking at the face of the devil.

devil is between two spread legs. I know this is a lot to deal with but it is the absolute truth. So the mouth of the devil is actually the vagina on the creature that you are about to see, Lucifer, the queen of heaven, masquerading as a world religious system. Where the virgin is worshipped, because Lucifer and his demons survive off the souls of Gods angels. Now I am going to show you the entirety of what I have already shown you. I am going to expose the rest of the creature to you. The head is the collective consciousness of Lucifer and I am going to draw it in for you. (First picture on next page)

We're going to start with this image on the left. You're looking at the face of the devil. I am going to take that image and zoom out. It will become very clear. The face of the

Here is an image were this is the head and this is the collective consciousness of Lucifer.

These are breast, there's a bee here and a bee here and those are were the breast are.

This is were the navel is, so it represents the hive.

This is the face of the devil, the mouth of the devil is the vagina of this creature right here.

This is the head of the creature right here, it's got the collective consciousness of the dragon.

Here's the eye, here's the other eye. Here's the nose. The mouth. The neck.

Going down, here is the breast, breast, and there is the face of the devil and the legs are spread.

Here's the eye, the eye, nose, mouth, neck and there's the wings going out.

Satan's goal was to have us breed with his race of beings in order to create a host body that they could steal souls. I am going to focus on the torso and the head. (Image on the left.) This creature you're looking at is Lucifer in the Catholic Church. Now as I zoom out you will see that the picture becomes very clear. (Image down below.)

Now this part right here is the collective consciousness of the dragon. I want you to look at something very closely this right here that is the center of the collective consciousness of the head of the creature with these wings.

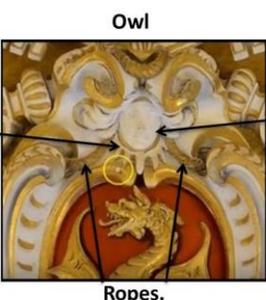

Here this is an owl. There is an eye, and eye and the beak of the owl is actually a human in a slave collar.

The arm is coming down, the arm is coming down behind the thighs. Here's the face of the devil and the legs are spread.

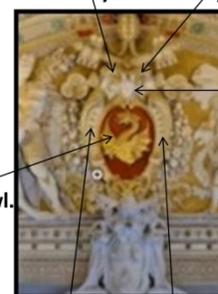

Look very carefully there is an owl. I will show it to you. The beak of the owl is actually the face of a human. I will zoom in and show it to you. Here it is, pay very close attention because we are going to look at what happens to every human soul that is not redeemed. Remember this slave collar; you see the collar around the neck? Do you see the ropes going from each side? It also becomes an owl. That is why

they worship Moloch at the bohemian grove. The full image of the owl is on the right. So here is the reason the owl is so prevalent in secret so societies because the owl sees in the dark and it is a symbol for Lucifer. This entirety, the accumulative sum of the image is the collective consciousness of Lucifer. Now what is really going to blow your mind is that I told you between the legs is the face of the devil, and the vagina is the mouth of the devil

Owl
This is the slave collar. The human being. Ropes.

Here's the owl right here, here's the eye and the eye.

This is on the stomach of the owl.

This is the beak.

Here's the owl's wings right her.

because we are food for this creature. So the production of every human that is born becomes a cage for another soul, and if that soul is not redeemed its food for the devil, you understand? Let me show you something, the day that I was showing this to somebody. I was in shock and I was like oh my gosh, well that very same day, that person said they wanted to go to the grocery store and I drove them there when I walked in I could not believe they were selling dresses. I thought how odd that the grocery store was selling dresses. I walked in and the exact same image that is between the legs of that creature, Lucifer is here on this dress. Here is the head of the devil. It is the female reproductive system and it makes the face of the devil. If you take this image and turn it upside down there is a mirror reflection, but that is absolutely the face of the devil and the female reproductive system on this dress and the mouth of the devil is right where the vagina would be for the woman wearing the dress. This is the way the

Lord confirmed to me that I am right and that I have understood it. Now I will match them up for you, I will take that face of the devil and I will put it side by side with what I took off that dress. It is identical. That is absolutely impossible. The skin that we are born into is our prison. Remember I told you to make sure you pay close attention to the slave collar that was on the guy,

because the collective consciousness of this creature runs humans in a slave collar, every human is a slave to the creature, Lucifer. The creature with the mind of the dragon has enslaved every human being, do you understand? I will show you one more time, a colored in image of it so you can see that I have meticulously drawn it in and colored it in for you. That is a plastic layover that I did and I will take the clear plastic layover and lay it right on top of the original image, there you go, Mystery Solved. It goes back to the Garden of Eden and the serpent said unto **the woman, the word for woman is ish-shaw', naw-sheem'** in Hebrew it means **adulteress**. In the bible it says that **the woman** said to the **serpent, the word for serpent is naw-khawsh'** and it means **it hisses when it speaks**, not because it crawls on the ground and she said to the serpent we may eat of any tree except for the tree of the knowledge of good and evil, because lest we **touch** it and we die, **the word for touch means to lay with like a woman**. That was exhibit number #11. Let's get to the next exhibit, and the last exhibit, exhibit #12. I am going to show you what happens to every human being that dies that has not been

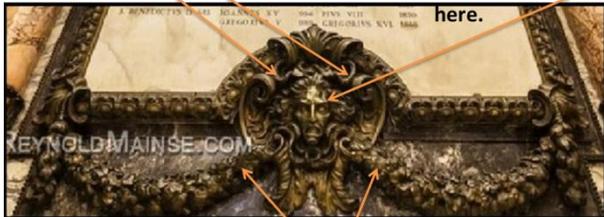

Exhibit 12 Human souls converted to locust army

going to show you right now. I am ringing the bell, the locust are about to come out of the pit. Jesus is coming, the church will be leaving and all hell is going to break loose on this planet and at that point, it will require your life, to come to Christ. It always does require your life anyway but at this point, it will be a completely different thing. Now remember things are not as they seem Saint Peters Basilica means Saint Peters royal palace of the Basilisk a basilisk is a legendary serpent that kills with its breath or with its look. Here you are looking at the basilica and the basilisk.

redeemed by the blood of Jesus Christ. I am

He has horns on his head. This image of this guy right here.

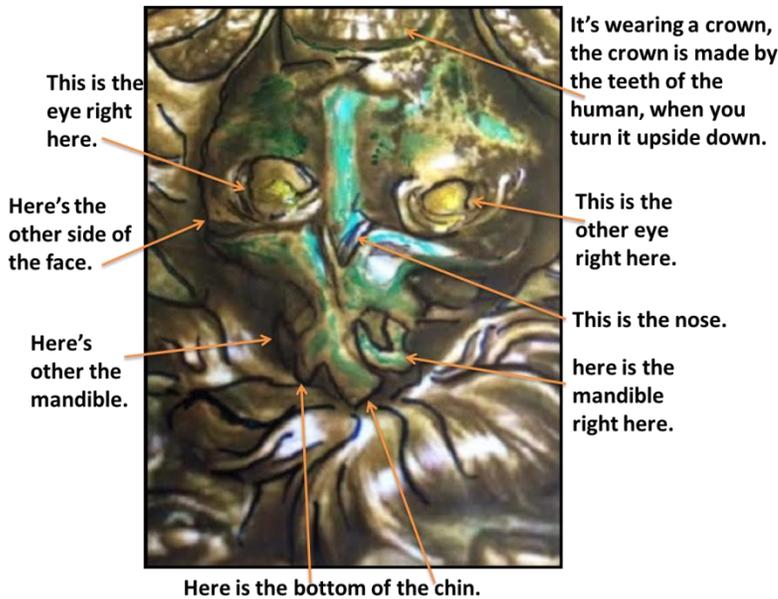

He's got a huge slave collar on.

This is a guy, he's in absolute agony, he's got this monstrous slave collar around his neck and these are serpents that are coming down and they actually make horns.

Face of one of the locust from the pit.

This is the eye right here.

Here's the other side of the face.

Here's other the mandible.

Here is the bottom of the chin.

It's wearing a crown, the crown is made by the teeth of the human, when you turn it upside down.

This is the other eye right here.

This is the nose.

here is the mandible right here.

This locust is emerging out.

That is why this shadows around here.

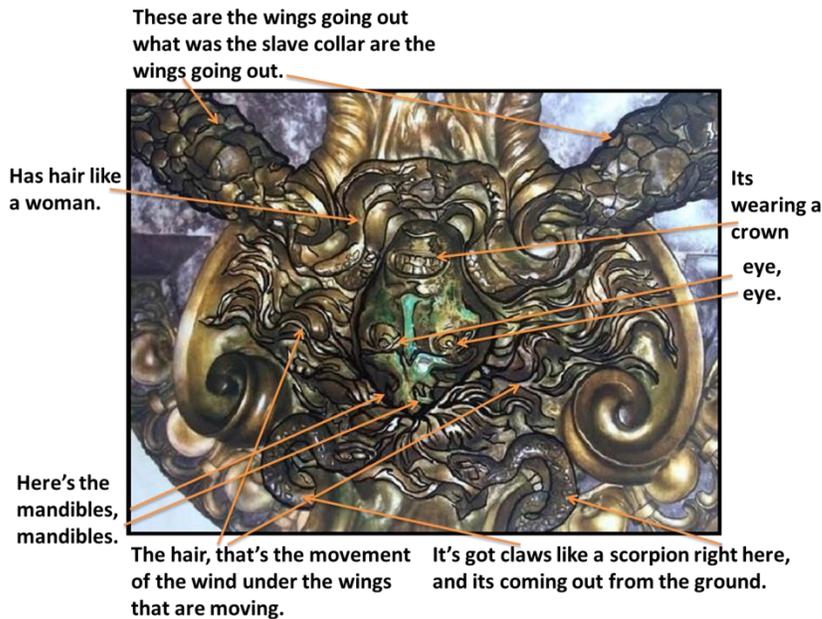

Cicada emerging out of a hole in the ground.

Now this will conclude what is going on, in this planet, the mystery of all human existence, what happens to a human soul, where we come from, and why we are here? When I finish this part of the presentation, I will give you the scriptures from John 10 and psalm 82. The image you are looking at on the left is from the list of popes in the Vatican. This is the sculpture at the bottom. You will obviously notice that it does not look like anything good. The image of this guy, has a huge slave collar on and horns on his head.

The Lord showed this to me close up first. Let me show you what this really is. This guy, is in absolute agony and he's got this monstrous slave collar around his neck and there are serpents that are coming down and they actually make horns. Going one way they make horns, and going the other way they make serpents, but they also turn into other things. I want you to read from revelation 9. (**Revelation 9:1** And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. **9:2** And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. **9:3** And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. **9:4** And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only

those men which have not the seal of God in their foreheads. **9:5** And to them it was given that they should not kill them, but that they should be tormented five months: and their torment *was* as the torment of a scorpion, when he striketh a man. **9:6** And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them. **9:7** And the shapes of the locusts *were* like unto horses prepared unto battle; and on their heads *were* as it were crowns like gold, and their faces *were* as the faces of men. **9:8** And they had hair as the hair of women, and their teeth were as *the teeth* of lions. **9:9** And they had breastplates, as it were breastplates of iron; and the sound of their wings *was* as the sound of chariots of many horses running to battle. **9:10** And they had tails like unto scorpions, and there were stings in their tails: and their power *was* to hurt men five months. **9:11** And they had a king over them, *which is* the angel of the bottomless pit, whose name in the Hebrew tongue *is* Abaddon, but in the Greek tongue hath

his name Apollyon.) Remember I have shown you over and over. Those who try and hide their plans from the Lord are doomed, they carry out their schemes in secret and think no one will see them or know what they are doing, they turn everything upside down. Let's turn this upside down. Let me show you what you are looking at. You are looking at the face of one of the locust from the pit. Human souls are used to create this other race of beings in the pit; this is what humans are used for. Now as I zoom out, you'll see this locust emerging out of the ground. Let me show you first what it looks like to emerge out of the ground, here's a side by side image, here's an actual locust, Cicada emerging out of a hole in the ground, It's absolutely identical. Now I am going to show you that the locust army, that is coming is from the pit. There will be so many of them, people's hearts are going to

literally fail, because the pit is going to open and an alien invasion will come out of the pit and that's were all human souls have been used for since the beginning. I will show that to you now. Okay so I am going to zoom out and I am going to show you the emergence of the locust. I have drawn in every change of shadow and even though there is other stuff, I can show you in here it is not important. I am going to show you the reality that, this is a locust coming out of the pit. Now I am going to show you, that I took this image and I had to extrapolate in order to get the full view of it because you cannot get a clean image of this. It's almost impossible to find. So let me show you what I did. I took the image that I drew in well and laid it right on top. So there's the locust coming out of the pit and those are the wings of the locust in the image down below.

There's a wing right there, and there's a wing right there and these are the locust that will be coming out of the pit.

My name is Jonathan kleck I was called in 2002, I met Michael the arc angel in an alley behind the saint Anthony hotel. I was called to service, to gather the church of Philadelphia. The end of the world is coming, it's coming quickly. Everyone is going to die you will not survive what is coming. The best you can do is make you peace NOW with God, the LORD GOD. All the evidence I have given you is irrefutable. I have shown you all these exhibits, that all have the same common denominator. All you have to do is turn everything upside down, which was the very first communication that was given to me by the Lord God, 100% NYLON / 100% NOLYN. I just gave you the 100% truth about the human race. I was predestined for what I am doing, that is why I am falling out of the sky upside down. Let's look at a common denominator, that common denominator is sheep with their tongue sticking out. As well as people like Obama, and Miley Cyrus, Jim Carey, and others that wink there eye and stick there tongue out. Which is a manifestation of the scriptures (**Psalm 35:19** Let not them that are mine enemies wrongfully rejoice over me: neither let them wink with the eye that hate me without a cause.) That was a fulfillment of **John 15:25**. They hated me without cause. When they stick out the tongue that is a manifestation of Isaiah 57, (**Isaiah 57:4** against whom do ye sport yourselves? against whom make ye a wide mouth, and draw out the tongue? are ye not children of transgression, a seed of falsehood.) We have a common denominator sheep with their tongues sticking out, even in the ancient hieroglyph that was 1300's of years before Christ. Akhenaten and Nefertiti, that hieroglyph if you were paying attention shows an alien in Akhenaten's head and having sex with a human female, producing a hybrid race of children. Let's look at the image of the Vatican, Saint Peters Basilica's. I told you the word basilica means royal abode of the basilisk, let's have a look at this info.

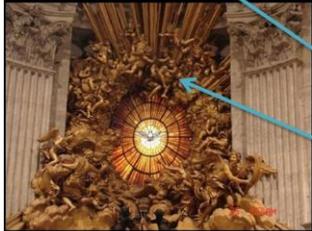

Google search: Etymologies of "basilisk" and "basilica" someone wrote two another person online and I will share it here. I recently confused a "basilica" with a "basilisk", with the former being a church building and the latter being mythical snake-like creature. The similarities of the two words made me curious of their origins. But the etymology of both words (from the Wiktionary links) says the same thing: Latin-basilica and Greek-basilike, meaning "royal". What is the connection of this meaning with "mythical snake-like dragon with a deadly gaze"? If you do your homework, by that I mean research, it says .c.1300, from Latin basiliscus, from Greek basiliskos "little king," dim. of basileus "king" (see Basil); said by Pliny to have been so called because of the crest or spot on its head resembling a crown. It's a small serpent that has a crest or spot on its head that resembles a crown. Also from latin, 1540s, from Latin basilica "building of a court of justice," and, by extension, church built on the plan of one, from Greek (stoa) basilike "royal (portal)," the portico of the archon basileus, the official who dispensed justice in Athens, from basileus "king" (see Basil). In Rome, applied specifically to the seven principal churches founded by Constantine. Wikipedia's entries for basilisk and basilica confirm the royal connection that the two words share. The former includes an excerpt from the aforementioned Pliny's encyclopedia published in ~79CE: So basilica and basilisk if you do some word study, it is royal abode of the king serpent. You are looking at it no matter what anyone says at a building that is built in the image of an upside down cross and it is a serpent wearing a crown. That is the image of the basilisk, the serpent that

kills with its breath or with its look. As you look at the part were the tongue would come out. I challenge you to do this on your own so you can see it for yourself, if you have the internet you can go log onto google earth, and right down were the tongue comes out and look across the street. You will see a side walk that turns into a split tongue. Just like a serpent. The mouth of the serpent is formed by the construction of the building on the outside. Those are

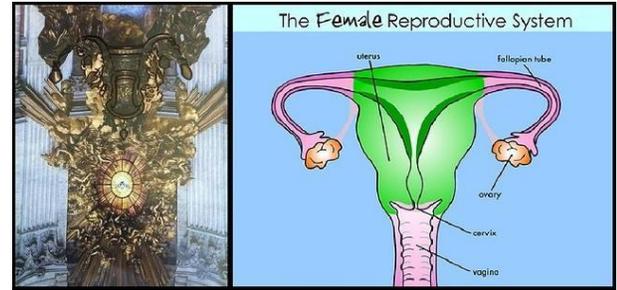

It is also a serpent wearing a crown that is pregnant, and you can see the rest of the body as it goes down this long corridor which is the tail of the serpent.

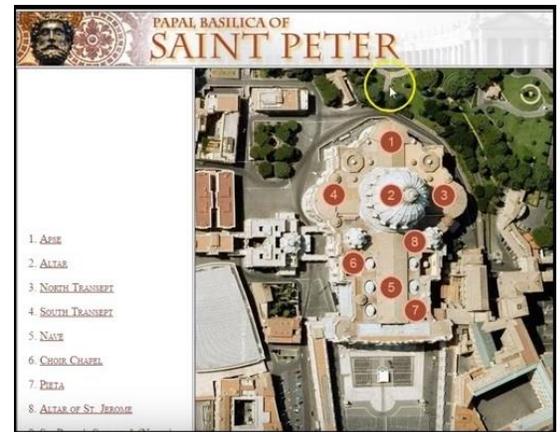

On the inside of this church the window right were the tongue comes out, that window is this inside, the angels being sucked into a vortex.

God's angels that are going into a vortex, being pulled in. That vortex is the female reproductive system. When you turn the altar upside down, this has already been shown to you earlier. The entire altar turns into the female reproductive system, and the other way it is a dead sheep. I have already laid the case for by using images others have drawn of me. It is just like a court case. God's angels are being pulled into this vortex, and they are born into the flesh. There are angels that are redeemed and angels that are not redeemed. Let me show you once again the outside of this building so you can see it for yourself. Ok once again the outside of the building is the shape of a giant serpent that is an upside down cross. Let's go to an aerial view of the same building. Here it is you can see the head of the serpent.

You also can see the side walk that splits like a serpents tongue. How many sidewalks come out and split like that? This view helps to further solidify the case. The image on the right, you can see the head of the cross;

Let's drop in at point number 5 in the basilica, the royal abode of the basilisk. You can see that the entire altar is the head of a giant queen locust, and the mouth of the locust, which is the mouth of the serpent from the

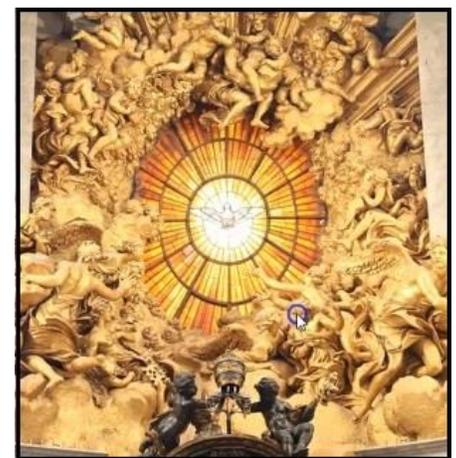

outside of the church building, that is the altar inside. As we approach this altar it is the mouth of a locust, and there is a giant dead sheep and all of god's angels are being sucked in to the female reproductive system. Let's look at Number 1 inside the Vatican, it proves there are angels being sucked into the vortex. On the outside, it is the mouth of the serpent. It is all God's angels being sucked into the female reproductive system, because there all being cast down. Lucifer deceived a bunch of God's angels, and turned them into a source of energy for himself. Now it's time to give you the scriptures. Look at the angels there being birthed into the female reproductive system. Let me give you a quick testimony from exhibit #1: My predestination. Where I am falling upside down out of the sky, and my sunglasses logo, come out of the darkness and into the light. (**Psalms 82:5** They know not, neither will they understand; they walk on in darkness: all the foundations of the earth are out of course. **82:6** I have said, Ye are gods; and all of you are children of the most High. **82:7** But ye shall die like men, and fall like one of the princes.) This goes for every human being. Everyone that has been born, anyone that has walked the planet, ye are a god. (**Genesis 3:22** And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever) This is for everyone that does not understand. Look at the angels in the picture then look at that scripture. These are God's children they are angels. ((**Psalms 82:6** IH589 have said,H559 Ye are gods;H430 and allH3605 of youH859 are childrenH1121 of the most High. H5945)) Look what the word **god;s** is in hebrew. **el-o-heem'** Plural of H433; **gods** in the ordinary sense; but specifically used (in the plural thus, especially with the article) **of the supreme God**; occasionally applied by way of deference to **magistrates**; and sometimes as a superlative: **-angels**, X exceeding, God (**gods**) (-dess, -ly), X (very) great, judges, X mighty.)) Look at the Picture again, after reading the Hebrew Strong's and Psalms 82. On the next page is a giant alter of a dead sheep, by the way I have been seeing dead sheep for fifteen years. Were people would draw those images, and I am able to show you those images very clearly.

NUMBER 5

NUMBER 1

On the inside of this church the window right were the tongue comes out, that window is this inside, the angels being sucked into a vortex.

So here are God's angels being birthed into the female reproductive system, I have said ye are gods and children of the most high. ((**Psalms 82:6** IH589 have said, H559 Ye are gods; H430 and allH3605 of youH859 are childrenH1121 **of the most High. H5945 el-**

yone' From H5927; an elevation, that is, (adjectively) lofty (comparatively); as title, **the Supreme: - (Most, on) high (-er, -est), upper (-most).**) This means the same as the Lord God .We are all children of **el-yone** the most high, but you shall die like men. So they are being birthed into the female reproductive system but they will die like men, and you shall **fall** like one of the princes. **The word fall in Hebrew is naw-fal'** A primitive root; **to fall**, in a great variety of applications (intransitively or causatively, literally or figuratively): - be accepted, **cast (down, self, [lots], out)**, cease, **die, divide** (by lot), (let) fail, (cause to, let, make, ready to) fall (away, down, -en, -ing), fell (-ing), fugitive, have [inheritance], inferior, be judged [by mistake for H6419], lay (along), (cause to) lie down, light (down), be (X hast) lost, lying, overthrow, overwhelm, perish, present (-ed, -ing), (make to) rot, slay, smite out, X surely, throw down. ((**Psalms 82:7** ButH403 ye shall dieH4191 like men,H120 and fallH5307 like oneH259 **of the princes.H8269.** Let's look at **the word princes is sar** From **H8323**; a head person (of any rank or class): - **captain (that had rule)**, chief

(captain), general, governor, **keeper**, lord, ([-task-]) **master, prince** (-ipal), **ruler, steward**. This is because the angels were cast out, and your looking at an image at all them being cast out, to die like men because they are going to be birthed into the flesh. And ye shall fall like one of the princes. The magistrates, the rulers that had power in heaven, and you were cast out. Some of us get redeemed and some of us don't. Now to solidify that In John 10, Jesus is talking about his sheep that hear his voice, and he is talking to the Jew's that think that they know everything but they don't and Jesus said in (**John 10:26** But ye believe not, because ye are not of **my** sheep, as I said unto you. **10:27 My** sheep hear my voice, and I know them, and they follow me: So for the people that don't understand this" I'm sorry but you not God's sheep. It says **my** sheep hear my voice. **10:27 My** sheep hear my voice, and I know them, and they follow me:**10:28** And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. **10:29** My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. **10:30** I and my Father are one. **10:31** Then the Jews took up stones again to stone him. **10:33** The Jews answered **10:32** Jesus answered them, Many good works have I shewed you from my Father; for which of those works do ye stone me him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God. **10:34** Jesus answered them, Is it not written in your law, I said, Ye are gods? **10:35** If he called them gods, unto whom the word of God came, and the scripture cannot be broken; Now here's the big twist on everything, because they were actually god's that made themselves men , but had no clue. **10:33** The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God.) What did the fallen angels do with humans? They breed with humans.

There are some that are in everlasting chains of darkness, Read about those in the book of Jude. Then there are other angels that have been commuted to chains of darkness, read about that in 1st Peter 2. Some are in everlasting chains and some are just in chains. The ones in everlasting chains cannot be redeemed; the ones that are in chains can be redeemed. The chains are your body. (**John 10:34** Jesus answered them, Is it not written in your law, I said, Ye are gods?

Psalms 82:6 I have said, Ye are gods; and all of you are children of the most High. **Psalms 82:7** But ye shall die like men, and fall like one of the princes. **John 10:35** If he called them gods, unto whom the word of God came, and the scripture cannot be broken) You are looking at the unrolled scroll. The way they use to unroll a scroll back then was from top and bottom at the same time. Let me give an example of what the kingdom of heaven is, the unrolled scroll. It is the same as the image that you're looking at, the key to the kingdom of heaven. It is the same as an unrolled scroll, you go up and you go down at the same time. The scriptures always bare it out, Jesus said in (**John 10:35** If he called them gods, unto whom the word of God came, and the scripture cannot be broken; **10:36** Say ye of him, whom the Father hath sanctified, and sent into the world, Thou blasphemest; because I said, I am the Son of God) What Jesus was saying is hey guys wait a minute your own scriptures say that **you all are gods** and the word is **eloheem** which means **angels**. Your

looking at angels at one of the largest altar in the world in saint peter's basilica. The word basilica means royal abode of the basilisk, and the mouth of that serpent is eating everything. So the female

reproductive system is birthing a bunch of angels into the mouth of a giant locust, and to the mouth of a serpent. I just got threw showing you all these images of dead sheep as exhibits in the case against Lucifer. Just to drive this point home for you. In Isaiah 29, I want to show you this because the scroll is open now, and after the scroll is open then come the judgements, and the judgements ensue very quickly. I don't know if that means this month or next week, but it doesn't matter. (**Isaiah 29:9** Stay yourselves, and wonder; cry ye out, and cry: they are drunken, but not with wine; they

stagger, but not with strong drink.) I want to make this is clear before you have an attack of arrogance, I want you to cry out to Christ and ask him to make this info very clear for you to see and understand. Ask him to please open your eyes and to show you the truth. Don't think that your smart, don't think that you know anything, when you know nothing. If you don't know the truth then you know nothing. You can have all the religion in the world, and have nothing. Do not forget I owned a vision company before I was called by the Lord. That company was called Vlad Eyewear. Come out of the darkness and into the light. (**Isaiah 29:10** For the LORD hath poured out upon you the spirit of deep sleep, and hath closed your eyes: the prophets and your rulers, the seers hath he covered. **29:11** And the vision of all is become unto you as the words of a book that is sealed, which men deliver to one that is learned, saying, Read this, I pray thee: and he saith, I cannot; for it is sealed) Let's look at e-sword a bible program I use with the original Hebrew meanings. I want to show you Isaiah 29 so you can see that the word is scroll. ((**Isaiah 29:11** And the visionH2380 of allH3605 is becomeH1961 unto you as the wordsH1697 **of a bookH5612** that is sealed,H2856 whichH834 men deliverH5414 toH413 one that is learned,H3045 H5612 saying,H559 ReadH7121 this,H2088 I pray thee:H4994 and he saith,H559 I cannot;H3201 H3808 forH3588 itH1931 is sealed)) **H2856 say'-fer, sif-raw' From H5608; properly writing (the art or a document); by implication a book:** - bill, book, evidence, X learn [-ed] (-ing), letter, register **scroll**. (**Isaiah 29:11** And the vision of all is become unto you as the words of a book that is sealed, which men deliver to one that is learned, saying, Read this, I pray thee: and he saith, I cannot; for it is sealed) Pay attention because we are going to the book, Daniel after this and then to the book of revelation, because Jesus has unrolled the scroll now. The scroll or the book that is delivered to him that is not learned saying, Read this, I pray thee: and he saith, I am not learned. Now here is a very stern message for all those people that think that they know God and they think that they have got this figured out, and they haven't paid attention to what I am delivering here, by the way I'm a messenger. When God sends a messenger, the messenger does not ask for advice. He just delivers the message. So if people want to throw there interpretations on this info, that is crazy. Because God sends his messenger with a message, and the message is not open for debate, to put there spin on the messages. That is absurd and this evidence will speak for itself and the record will speak for itself. Just like a court case. So be very careful, it's a warning. I'm trying to help you. (**Isaiah 29:13** Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men: **Isaiah 29:14** Therefore, behold, I will proceed to do a marvelous work among this people, even a marvelous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid.) You have been looking at that marvelous work, this entire case. For the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid. So if you think your wise, but you cannot see what I am showing you (**Psalms 82:5** They know not, neither will they understand; they walk on in darkness: all the foundations of the earth are out of course. For the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid.) Ready here comes the marvelous work. (**Isaiah 29:15** Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, Who seeth us? and who knoweth us? **Isaiah 29:16** Surely your turning of things upside down shall be esteemed as the potter's clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?) God is the potter we are the clay. In Genesis 2:7 it says and God formed man from the dust of the earth. **The word for dust is aw-fawr'** From H6080; dust (as powdered or gray); **hence clay**, earth, mud: - ashes, dust, earth, ground, mortar, powder, rubbish. Son in (**Genesis 2:7** The lord God Formed man as a potter forms clay. So if you want to know if you belong to the Lord God, Turn it upside down. (**Isaiah 29:18** And in that day shall the deaf hear the words of the book, and the eyes of the blind shall see out of obscurity, and out of darkness.) Remember come out of the darkness and into the light, the line for my eye ware company, it was what I was doing before I got saved, and the eyes of the blind shall see out of obscurity, and out of darkness. Its called predestination. ((**Genesis 2:7** And the LORDH3068 GodH430 **formed**H3335 (H853) manH120 **of the dust**H6083 ofH4480 the ground,H127 and breathedH5301 into his nostrilsH639 the breathH5397 of life;H2416 and manH120 becameH1961 a livingH2416 soul.H5315)) **formed**H3335 to mould into a form; **especially as a potter**:. I was predestined that's why I met Michael the angel in the alley. That's why he called me brother, because I am one of Michael's brothers. That got sucked into the vortex. I had to live out a life in the flesh, and then Jesus called me, and the Bible says I knew you before the foundation of the world. The bible declares to those whom he did predestine. For those he did for know, those he predestined. To those he justified and to those he glorified. You are looking at those that went into the female reproductive system. Have I not said you are angels but ye shall die like men, and your birthed into your prison upside down. Ok let's go look at some more scriptures and wrap this thing up. (**Daniel 12:1** And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be

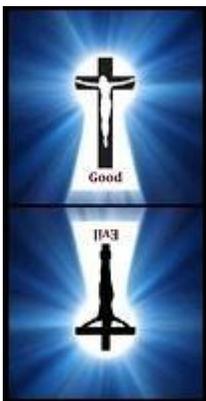

found written in the book.) Oh yeah he stood up and I met him in an alley by the way and there shall be a time of trouble, the word is female rival. That's why when Michael talked to me, that's why I prayed our Father, and I got saved! Then he looked at me and said "Now you say a hail Mary." So I would know **the time of trouble**, the female rival was here. Let's just make sure you see it one more time. (a time H6256 of trouble, H6869) it means tsaw-raw' Feminine of H6862; tightness (that is, figuratively trouble); transitively **a female rival**: - adversary, adversity, **affliction**, anguish, distress, **tribulation**, **trouble**. There you go female rival and it means affliction and it means tribulation. That's why Michael said "You say a hail Mary." So I would know the female rival was taking the stage. So here comes the great tribulation. (**Daniel 12:2** And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt. **Daniel 12:3** And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever. **Daniel 12:4** But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.) The book which means scroll is open. (**Isaiah 29:18** And in that day shall the deaf hear the words of the book, and the eyes of the blind shall see out of obscurity, and out of darkness. Come out of the darkness and into the light. **Daniel 12:4** But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.) The scroll is unrolled. I'm a messenger. Now here comes Revelations. (**Revelation 5:1** And I saw in the right hand of him that sat on the throne a book written within and on the backside, sealed with seven seals.) Ok there is that scroll I'm talking about. (**Rev 5:2** And I saw a strong angel proclaiming with a loud voice, Who is worthy to open the book, and to loose the seals thereof? **Rev 5:3** And no man in heaven, nor in earth, neither under the earth, was able to open the book, neither to look thereon. **Rev 5:4** And I wept much, because no man was found worthy to open and to read the book, neither to look thereon. **Rev 5:5** And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of David, hath prevailed to open the book, and to loose the seven seals thereof.) So Jesus is the one that opens the scroll, and He's about to lose the seals because were about to enter the time of Jacob's trouble, the tribulation. There's only one Jesus, and I want to make sure before I close this out that everyone that see's this info has a opportunity to know who the real Jesus is. In Matthew 16, this is the only Jesus there is. He's **the Rock, the Petra**, if you don't know what that is. I built my entire foundation on everything upside down. The very first communication I got from the Lord God was read the tags in your shirt on the clothes your carrying, it said 100% NYLON. That did not make any sense whatsoever, and then after that the Lord said turn it upside down. When I turned it upside down it said 100% NOLYN. The Lord told me, for me to do what I had to do for Him, I had to speak 100% truth. Even no matter what it meant to my personal life. I had to speak 100% truth no matter what happened. If I wasn't willing to do that then I couldn't do this mission for Him. I told the Lord yes, and He showed me the 100% truth just like I've showed you. My foundation is right here, 100% NOLYN and I have done what he asked me to do. Let me show you who the real Jesus is. (**Matthew 16:13** When Jesus came into the coasts of Caesarea Philippi, he asked his disciples, saying, Whom do men say that I the Son of man am? **16:14** And they said, Some say that thou art John the Baptist: some, Elias; and others, Jeremias, or one of the prophets. Wrong they were all wrong. **16:15** He saith unto them, But whom say ye that I am? **16:16** And Simon Peter answered and said, Thou art the Christ, the Son of the living God. So peter recognized The Christ. The Son of the living God. **16:17** And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven. **16:18** And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. **16:19** And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.) Jesus renamed him right there from Simon son of Barjonas, to Peter. Son of BarJonas means son of Jonas. He renamed him Peter it means **petros**, pet'-ros.

Apparently a primary word; **a (piece of) rock** (larger than G3037); as a name, Petrus, an apostle: - Peter, rock. Compare G2786. And upon this rock I will build my church; Ok no matter what anybody on the planet says, I don't care what any preacher says or theologian or any human beings, I could

care less. What the word of God says is, and upon this rock I will build my church; God in the flesh, Jesus said, upon this rock I will build my church; and the gates of hell shall not prevail against it. **Matthew 16:19** And I will give unto thee the keys of the kingdom of heaven: That is out of the very mouth of God Himself. Let me show you what it means. By telling you where my whole journey started. I stood in my living room and I told the Lord, I said I have done so many things, I deserve to go to hell, but if I was to turn to Jesus I don't even know which one to turn to. I said would you please show me? I have friends that say that Mormons are saved and if you don't have their Jesus you're going to hell. I know people that are Jehovah witnesses, and they say the same thing. I was raised catholic into hypocrisy and I said I don't even know where to look. I said I just want to know the truth, and that's what the Lord GOD, showed me is 100% NOLYN the truth. Now let me show you Matthew 16. Then 1st Peter, and this will be resolved. The case against Lucifer is not even arguable; it's a big dead sheep in the mouth of a serpent. (**Matthew 16:18** And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.) **Peter** = it means

petros a (piece of) rock. And then he says and upon this rock I will build my church; it's a different word its petra pet'-ra Feminine

of the same as G4074; **a (mass of) rock** (literally or figuratively): - rock on. **Peter is the little rock**, and **Jesus is the massive ROCK**, and I'm going to show you right now what He will build His church on right there in the picture. There's the foundation, and there's the little piece of rock, key to the kingdom of heaven. I just gave you the key to the kingdom of heaven. The Lord gave it, the key of David, pray with me my brother. Do you get it? Now let me show you how satan locked the door. So this is the understanding of the key to the kingdom of heaven, so if you look at the basilica, satan had us breed, and he turned the key and locked the door, and the lock is covered by black cobble stones that represents serpent skin. That's why the whole building is a big serpent. Do you get it the upside down cross locked the door, and we're birthed into the flesh. We come into the prison upside down, and the keyhole is blocked by serpent skin. There's a serpent right in the middle and there's the upside down cross, and the door is blocked. That's why you have to be born of the spirit, because you can't go backwards, you can't go back into your mother's womb and go the opposite direction. You came into this dimension head down, born into the flesh. The only way to get out of it is to be saved by the blood of Christ Jesus, and

the only way is to be turned upside down. That means you go back the other way, and you have an understanding of this now. (**Matthew 16:18** AndG1161 I say alsoG2504 G3004 unto thee, G4671 ThatG3754 thouG4771 artG1488 Peter, G4074 andG2532 uponG1909 thisG5026 **rock**G4073 I will buildG3618 **my**G3450 **church**; G1577 andG2532 the gatesG4439 of hellG86 shall notG3756 prevail againstG2729 it.G846 **16:19** AndG2532 I will giveG1325 unto theeG4671 theG3588 **keys**G2807 of theG3588 kingdomG932 of heaven:G3772 andG2532 whatsoeverG3739 G1437 thou shalt bindG1210 onG1909 earthG1093 shallG2071 be boundG1210 inG1722 heaven:G3772 andG2532 whatsoeverG3739 G1437 thou shalt looseG3089 onG1909 earthG1093 shall beG2071 loosedG3089 inG1722 heaven.) **KEY**G3772 kleis, klice From G2808; **a key (as shutting a lock), literally or figuratively: - key.**G2808; **a key** lets go back and look at that lock. See satan has locked the door with serpent skin. That's why the key hole locked. Peter was given the keys. That's why it is called Saint Peter's basilica. Now do you get it? Do you completely understand how profound this is? It's the key to the kingdom of heaven. (**1Peter 2:9** But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light: God chose me, I did not chose him, he chose me. Out of darkness into his marvellous light: And this is the way he does it, by turning you upside down, out of darkness into his marvellous light.) 1st Peter 2, remember the petra in Matthew 16. Jesus is the petra, and upon this petra I will build my church, well here it is, (**1Peter 2:5** Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.) We are the temple of God, not a building but our bodies; he dwells in us with his spirit. ((**1Peter 2:5** YeG846 also,G2532 asG5613 livelyG2198 stones,G3037 are built upG3618 a spiritualG4152 **house**,G3624 an holyG40 priesthood,G2406 to offer upG399 spiritualG4152 sacrifices,G2378 acceptableG2144 to GodG2316 byG1223 JesusG2424 Christ.G5547 oikos, oy'-kos Of uncertain affinity; **a dwelling** (more or less extensive, literally or figuratively); by implication a family (more or less related, literally or figuratively): - home, house (-hold), **temple**.) (**1Peter 2:6** Wherefore also it is contained in the scripture, Behold, I lay in Sion a chief corner stone, elect, precious: and he that believeth on him shall not be confounded. **1Peter 2:7** Unto you therefore which believe he is precious: but unto them which be disobedient, the stone which the builders disallowed, the same is made the head of the corner, **1Peter 2:8** And a stone of stumbling, and a rock of offence, even to them which stumble at the word, being disobedient: whereunto also they were appointed. **1Peter 2:9** But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light) Please take hold of this with all of your heart, this is the real Jesus, this is the only Jesus. This is the only name by under heaven that you may be saved. And if you haven't been turned upside down, then you're not saved. I don't care what any church tells you. Here it comes. (**1Peter 2:8** And a stone of **stumbling**, and a rock of offence, even to them which stumble at the word) **Stumble means:** pros'-kom-mah From G4350; **a stub**, that is, (figuratively) **occasion of apostasy: - offence, stumbling (-block,-stone)]. Petra means:Pet'-ra** Feminine of the same as G4074; **a (mass of) rock** (literally or figuratively): - rock. **He is a stone of stumbling and a rock of offence to those who think they know the word. Offense means:** skan'-dal-on A ?scandal?; probably from a derivative of G2578; a **trap stick (bent sapling), that is, snare** (figuratively cause of displeasure or sin): - occasion to fall (of stumbling), offence, thing that offends, stumbling-block. Ok there it is. We are a snare to them, and they are a snare to us. All glory to God the mystery has been solved, the scroll has been opened, Jesus opened it. I'm a messenger the end is coming. Prepare your hearts, and prepare your minds. Prepare everything, your souls. Prepare your heart to die. When the bride of Christ leaves, your body will not go. Flesh and blood cannot enter the kingdom of heaven, so if your not ready to die then your not ready. Ok God bless you, peace and grace be upon you. There is only one Jesus. He's the one that turns the world upside down. All glory to God.
